In the opinion of Bond Counsel, under existing law and assuming continued compliance with certain requirements of the Internal Revenue Code of 1986, as amended, (i) the interest on the Series 2010P-1 Bonds (including any original issue discount allocable to any owner thereof) is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; and (ii) the interest on the Series 2010P-2 Bonds is subject to federal income taxation. The interest on the Series 2010P Bonds is exempt from all Kansas state, county and municipal taxes, including income, inheritance and property taxes. See the caption "TAX MATTERS" herein.

The Series 2010P-1 Bonds and Series 2010P-2 Bonds referenced above (collectively, the "Series 2010P Bonds") will be issued by the Kansas Development Finance Authority (the "Authority") pursuant to a Bond Resolution adopted by the Authority and a Trust Indenture, dated as of October 1, 2010 (the "Indenture"), between the Authority and UMB Bank, N.A., Kansas City, Missouri, as trustee (the "Trustee"). The Series 2010P Bonds will consist of fully registered bonds in the denomination of \$5,000 or integral multiples thereof, shall be dated the date of delivery thereof, and shall become due on September 1, as set forth on the inside cover page hereof. Interest due with respect to the Series 2010P Bonds is payable semiannually on March 1 and September 1 of each year to and including the date of maturity or redemption, whichever is earlier, commencing on March 1, 2011, to the registered owners appearing on the registration books maintained by the Trustee as of the fifteenth day (whether or not a Business Day) of the calendar month next preceding each interest payment date. The Depository Trust Company, New York, New York, will act as securities depository for the Series 2010P Bonds. Purchases of Series 2010P Bonds will be made in book-entry form. See "THE SERIES 2010P BONDS – Book-Entry Only System for Series 2010P Bonds" herein.

The Series 2010P Bonds are payable solely from payments to be made pursuant to a Pledge of Revenues Agreement dated as of October 1, 2010 (the "Pledge Agreement") among the Authority, the Kansas Board of Regents (the "Board") and the University of Kansas (the "University"), which are pledged and assigned to the Trustee for payment of the Series 2010P Bonds in accordance with the Indenture. Pursuant to the Pledge Agreement, the University has pledged and assigned to the Authority the Revenues, which consist primarily of receipts from the University's proportionate KUMC Clinical Research Center share of a one-eighth of a percent (0.125%) countywide retailers' sales tax approved by the voters of Johnson County, Kansas in November 2008, and adopted and levied by the Board of Commissioners of Johnson County, effective April 1, 2009, for the purpose of supporting certain research projects and programs of the University's Medical Center, the University's Edwards Campus and the K-State – Olathe Innovation Campus, Inc. Under the Indenture, Additional Bonds may be issued by the Authority on a parity with the Series 2010P Bonds (such Additional Bonds, together with the Series 2010P Bonds, being collectively referred to herein as the "Bonds").

The Series 2010P Bonds shall not be deemed to constitute a debt or liability of the State of Kansas or of any political subdivision thereof within the meaning of any state constitutional provision or statutory limitation and shall not constitute a pledge of the full faith and credit of the State of Kansas or of any political subdivision thereof, but shall be payable solely from the funds provided for in the Pledge Agreement and the Indenture. The issuance of the Series 2010P Bonds shall not directly or indirectly obligate the State of Kansas, any agency or political subdivision thereof, the Authority or any officers, directors or employees of the foregoing to provide any funds for the payment of such Series 2010P Bonds. The issuance of the Series 2010P Bonds shall not, directly, indirectly or contingently, obligate the State of Kansas or any agency or political subdivision thereof to levy any form of taxation therefor or, except as otherwise provided in the hereinafter defined JCERTA Act, to make any appropriation for their payment. The State of Kansas shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the Series 2010P Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach by the Authority of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State of Kansas or any charge upon its general credit or its taxing power. Neither the Board, the University nor the Authority has any power to tax. See "SECURITY FOR THE SERIES 2010P BONDS" herein.

INTRODUCTION

*The following introduction is subject in all respects to more complete information contained elsewhere in this Official Statement. The order and placement of materials in this Official Statement, including the Appendices, are not to be deemed to be a determination of relevance, materiality or relative importance, and this Official Statement, including the cover page and Appendices, must be considered in its entirety. All capitalized terms used in this Official Statement that are not otherwise defined herein shall have the meanings ascribed to them in **Appendix C**.*

Purpose of this Official Statement

This Official Statement, including the cover page and the Appendices, is furnished in connection with the offering by the Kansas Development Finance Authority (the "Authority") of its \$3,950,000 principal amount of Sales Tax Revenue Bonds (Kansas Board of Regents – University of Kansas Clinical Research Center Project), Series 2010P-1 (the "Series 2010P-1 Bonds") and \$11,980,000 principal amount of Taxable Sales Tax Revenue Bonds (Kansas Board of Regents – University of Kansas Clinical Research Center Project), Series 2010P-2 (Build America Bonds – Direct Payment to Issuer) (the "Series 2010P-2 Bonds," together with the Series 2010P-1 Bonds, the "Series 2010P Bonds").

The Authority

The Authority is a public body politic and corporate and an independent instrumentality of the State of Kansas (the "State") exercising essential public functions and is authorized by law to issue the Series 2010P Bonds.

The Board

The Kansas Board of Regents (the "Board") is a nine-member body that controls and supervises the University of Kansas (the "University") and five other state universities. Additional information regarding the Board is contained under the caption entitled "THE KANSAS BOARD OF REGENTS"

The University

The University of Kansas, with an enrollment of over 30,000 students, has its main campus in Lawrence, Kansas. The project financed by the Series 2010P Bonds is the renovation and equipping of a clinical research center in the City of Fairway, Kansas, for the University's Medical Center ("KUMC"). Summary information regarding KUMC is set forth in **Appendix A**.

JCERTA

The Johnson County Education Research Triangle Authority ("JCERTA") was created by affirmative vote of the voters of Johnson County, Kansas on November 4, 2008 at the election held on such date pursuant

to the provisions of the JCERTA Act. The Board of Directors of JCERTA consists of seven voting members who are elected officials of Johnson County and who are appointed as follows: (a) one member appointed by the Governor of Kansas, (b) one member appointed by the Kansas Board of Regents, (c) one member appointed by majority vote of the Board of Commissioners of Johnson County, (d) one member appointed by the Board of Trustees of Johnson County Community College, (e) two members appointed by the Chancellor of the University of Kansas, and (f) one member appointed by the President of Kansas State University. The chancellor of the University of Kansas or the Chancellor's designee, the President of Kansas State University or the President's designee, the President of Johnson County Community College or the President's designee and the Executive Vice Chancellor of the University of Kansas Medical Center or the Vice Chancellor's designee serve as ex officio, non-voting members of the Board of Directors.

Definitions and Summaries of Principal Financing Documents

Definitions of certain terms used in this Official Statement, and summaries of the Indenture, the Pledge of Revenues Agreement, dated as of October 1, 2010 (the "Pledge Agreement"), among the Authority, the Board and the University, and the Continuing Disclosure Agreement are set forth in *Appendix C* to this Official Statement. This Official Statement contains brief descriptions of, among other things, the Authority, the Board, the University, the Series 2010P Bonds, the Indenture, the Pledge Agreement and the Continuing Disclosure Agreement. Such descriptions do not purport to be comprehensive or definitive. All references in this Official Statement to documents are qualified in their entirety by reference to such documents, and references to the Series 2010P Bonds are qualified in their entirety by reference to the form of the Series 2010P Bonds included in the Indenture.

The Series 2010P Bonds

The Series 2010P Bonds will be issued under and in full compliance with the Constitution and statutes of the State and under and pursuant to a resolution (the "Resolution") adopted by the Board of Directors of the Authority on September 14, 2010, and a Trust Indenture dated as of October 1, 2010 (the "Indenture") between the Authority and UMB Bank, N.A., Kansas City, Missouri, as trustee (the "Trustee"). The Authority will use the proceeds of the Series 2010P Bonds, together with anticipated interest earnings thereon to (1) finance the costs of the renovation, improvement and equipping of a 75,000 square foot clinical research building for KUMC in Fairway, Kansas (the "Project"), as more fully described herein under the heading "PLAN OF FINANCING – The Project," (2) fund a debt service reserve fund deposit for the Series 2010P Bonds and (3) pay certain costs related to the issuance of the Series 2010P Bonds.

Security for the Series 2010P Bonds

The principal of, redemption premium, if any, and interest on the Series 2010P Bonds are special limited obligations of the Authority and are payable by the Authority solely from Revenues pledged by the University pursuant to the Pledge Agreement. The University has pledged all of the Revenues to secure the payment of amounts due, and the performance by the University of its other obligations, under the Pledge Agreement. Revenues, as defined in the Indenture, means, collectively, (a) the KUMC Clinical Research Center Sales Tax Revenues, and investment earnings thereon (b) any BAB Interest Subsidy Payments, and (c) other funds available to the Board or University and actually deposited into the Revenue Fund. The "KUMC Clinical Research Center Sales Tax Revenues" consist solely of (i) the University's proportionate KUMC Clinical Research Center share of a one-eighth of a percent (0.125%) countywide retailers' sales tax approved by the voters of Johnson County, Kansas on November 4, 2008, and adopted and levied by the Board of Commissioners of Johnson County, effective from and after April 1, 2009, pursuant to K.S.A. 19-5001 *et seq.*, as amended (the "JCERTA Act"), and the related countywide compensating use tax imposed by K.S.A. 12-198, relating to the Project, and (ii) the University's proportionate KUMC Clinical Research Center share of any additional countywide retailers' sales tax approved by the voters of Johnson County, Kansas pursuant to the JCERTA Act for the purpose of supporting certain educational projects and programs of the University at the Edwards Campus, research programs at KUMC's Clinical Research Center in Fairway, Kansas and the K-State Olathe Innovation Campus in Olathe, Kansas, and any related countywide compensating use tax imposed

in connection therewith. With respect to the Project and the KUMC Clinical Research Center, the University is entitled to one-third (1/3) of all receipts of the 2008 Sales Tax and any Additional Sales Tax, after JCERTA retains up to 2% of such receipts for payment of its administrative expenses. See the caption "SECURITY FOR THE SERIES 2010P BONDS – The Revenues" herein.

The Authority previously issued (i) its \$15,225,000 Sales Tax Revenue Bonds, Series 2009L-1 (K-State – Olathe Innovation Campus, Inc. Project) and its \$15,275,000 Taxable Sales Tax Revenue Bonds, Series 2009L-2 (K-State – Olathe Innovation Campus, Inc. Project) (collectively, the "Series 2009L Bonds") the proceeds of which are being used to construct certain research and academic programs at the K-State Olathe Innovation Campus, and (ii) its \$6,125,000 Sales Tax Revenue Bonds, Series 2009M-1 (Kansas Board of Regents – University of Kansas Edwards Campus Building No. 4 Project) and its \$14,865,000 Taxable Sales Tax Revenue Bonds, Series 2009M-2 (Kansas Board of Regents – University of Kansas Edwards Campus Building No. 4 Project) (Build America Bonds – Direct Payment to Issuer) (collectively, the "Series 2010M Bonds") the proceeds of which are being used to construct a new building at the Edwards Campus of the University in Overland Park, Kansas. The Series 2009L Bonds and the Series 2010M Bonds are secured by one-third shares of receipts from the 2008 Sales Tax to which the K-State Olathe Innovation Campus and the University of Kansas Edwards Campus, respectively, are entitled pursuant to the JCERTA Act.

The Authority may issue Additional Bonds and the University may incur Additional Indebtedness that would have standing on a parity with the Series 2010P Bonds with respect to the Revenues pledged to the Authority under the Pledge Agreement. See the captions "SUMMARY OF THE INDENTURE -- Authorization of Additional Bonds," "SUMMARY OF THE PLEDGE AGREEMENT -- Additional Bonds" and "SUMMARY OF THE PLEDGE AGREEMENT – Additional Indebtedness" in *Appendix C* to this Official Statement. The Series 2010P Bonds, together with any Additional Bonds which may be issued under the Indenture, are herein referred to as the "Bonds".

The obligation of the University to make payments under the Pledge Agreement is limited to the pledge by the University to the Authority of the Revenues. In addition, a Debt Service Reserve Fund has been established under the Indenture, which will initially be funded by a deposit of proceeds of the Series 2010P Bonds in an amount equal to the Debt Service Reserve Fund Requirement and thereafter is required to be maintained at such level. See the caption "SECURITY FOR THE SERIES 2010P BONDS -- Debt Service Reserve Fund".

The Series 2010P Bonds are subject to redemption in whole or in part prior to maturity as described under the caption "THE SERIES 2010P BONDS -- Redemption of Series 2010P Bonds" herein.

THE BONDS AND THE INTEREST THEREON ARE SPECIAL, LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY OUT OF THE TRUST ESTATE, WHICH INCLUDES THE REVENUES PLEDGED TO THE AUTHORITY BY THE UNIVERSITY PURSUANT TO THE PLEDGE AGREEMENT, AND CERTAIN INVESTMENT EARNINGS ON FUNDS AND ACCOUNTS MAINTAINED UNDER THE INDENTURE. THE BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF KANSAS OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FULL FAITH AND CREDIT OF THE STATE OF KANSAS OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE PLEDGE AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY OR INDIRECTLY OBLIGATE THE STATE OF KANSAS, ANY AGENCY OR POLITICAL SUBDIVISION THEREOF, THE AUTHORITY OR ANY OFFICERS OF THE FOREGOING, DIRECTORS OR EMPLOYEES TO PROVIDE ANY FUNDS FOR THE PAYMENT OF SUCH BONDS. THE ISSUANCE OF THE BONDS SHALL NOT, DIRECTLY, INDIRECTLY OR CONTINGENTLY, OBLIGATE THE STATE OF KANSAS OR ANY AGENCY OR POLITICAL SUBDIVISION THEREOF TO LEVY ANY FORM OF TAXATION THEREFOR OR, EXCEPT AS OTHERWISE PROVIDED IN THE JCERTA ACT, TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE STATE OF KANSAS SHALL NOT IN ANY EVENT

BE LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR FOR THE PERFORMANCE OF ANY PLEDGE, MORTGAGE, OBLIGATION OR AGREEMENT OF ANY KIND WHATSOEVER WHICH MAY BE UNDERTAKEN BY THE AUTHORITY. NO BREACH BY THE AUTHORITY OF ANY SUCH PLEDGE, MORTGAGE, OBLIGATION OR AGREEMENT MAY IMPOSE ANY LIABILITY, PECUNIARY OR OTHERWISE, UPON THE STATE OF KANSAS OR ANY CHARGE UPON ITS GENERAL CREDIT OR ITS TAXING POWER. NEITHER THE AUTHORITY, THE BOARD NOR THE UNIVERSITY HAS ANY POWER TO TAX.

The Series 2010P Bonds are also subject to certain risk factors and investment considerations. See the caption "INVESTMENT CONSIDERATIONS" herein.

Suitability of Investment

An investment in the Series 2010P Bonds involves a certain degree of risk. The interest rate borne by the Series 2010P Bonds (as compared to prevailing interest rates on more secure tax-exempt bonds, such as those which constitute general obligations of fiscally sound municipalities) is intended to compensate the investor for assuming this element of risk. Furthermore, the exclusion of interest on the Series 2010P Bonds from certain taxes described under the caption "TAX MATTERS" is more valuable to high income tax bracket investors than to investors who are in low income tax brackets, and so the value of the interest compensation to any particular investor will vary with income tax rates. Each prospective investor should carefully examine this Official Statement, including the Appendices hereto, and its own financial condition to make a judgment as to its ability to bear the economic risk of such an investment, and whether or not the Series 2010P Bonds are an appropriate investment.

NO REPRESENTATION OR ASSURANCE CAN BE MADE OR GIVEN THAT REVENUES WILL BE REALIZED BY THE UNIVERSITY IN AMOUNTS SUFFICIENT TO PAY THE PRINCIPAL OF, REDEMPTION PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2010P BONDS.

THE STATEMENTS HEREIN REGARDING CERTAIN RISKS ASSOCIATED WITH THE OFFERING SHOULD NOT BE CONSIDERED AS A COMPLETE DESCRIPTION OF ALL RISKS TO BE CONSIDERED IN THE DECISION TO PURCHASE THE SERIES 2010P BONDS.

Prospective purchasers of the Series 2010P Bonds should analyze carefully the information contained in this Official Statement and additional information in the form of the complete documents summarized herein, copies of which are available from the Authority.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2010P Bonds. Information with respect to the book-entry system is contained in *Appendix D* attached hereto.

Additional Information

Information in this Official Statement concerning the Authority has been supplied by the Authority. Information concerning the University has been supplied by the University and other sources believed to be reliable and has not been verified by the Authority or the Underwriters, and neither the Authority nor the Underwriters make any representation, express or implied, as to the accuracy or completeness of such information. Until the issuance and delivery of the Series 2010P Bonds, copies of the Indenture, the Pledge Agreement, the Continuing Disclosure Agreement and other documents described in this Official Statement may be obtained at the office of the Authority, Suite 202, 555 South Kansas Avenue, Topeka, Kansas 66603.

Copies of these documents also may be obtained from the Underwriters after delivery of the Series 2010P Bonds.

Series 2010P Bonds

The proceeds of the Series 2010P Bonds, together with anticipated interest earnings thereon, will be used by the Authority to (1) finance the costs of the construction, improvement and equipping of a 75,000 square foot clinical research center building for KUMC in Fairway, Kansas; (2) fund a debt service reserve fund deposit for the Series 2010P Bonds; and (3) pay certain costs related to the issuance of the Series 2010P Bonds.

The Project

The Project includes the renovation, improvement and equipping of an existing 75,000 square foot office building in Fairway, Kansas, to house KUMC's clinical and translational research programs. In addition to housing the Heartland Institute for Clinical and Translational Research (HICTR), this facility is planned to accommodate clinical trials for cancer, as part of a University's effort to achieve designation as a National Cancer Institute comprehensive cancer center. Both the cancer program and HICTR are part of a major national initiative to support and organize clinical research, so that discoveries made in laboratories, and findings from clinical research are more rapidly translated into new treatments and health care practices.

THE KANSAS BOARD OF REGENTS

As used in this Official Statement the term "Board" means the Board of Regents of the State of Kansas, as provided for in Article 6 of the Constitution and in the statutes of the State, including, prior to May

Not more than five regents may be of the same political party. The Board is a constitutionally established board, responsible for formulating policy under which the State universities operate and for recommending to the State Legislature the amount of State funds to be made available to each institution. With respect to State universities, the Board has the power to make and execute contracts; acquire property; pledge or assign revenues; issue revenue bonds; construct, acquire or improve properties; fix, charge and collect rents, tuition and other fees; contract for services; and execute all acts necessary to the performance of its duties.

The Board controls and supervises the University, with its main campus at Lawrence, the Edwards Campus in Overland Park and KUMC with campuses and facilities in Kansas City, Fairway and Wichita; Kansas State University, with its campuses in Manhattan, Salina and Olathe; Wichita State University; Emporia State University; Fort Hays State University; and Pittsburg State University.

Revenue bonds for State universities under the control of the Board have been issued by the Authority for various purposes. The Series 2010P Bonds are separately secured from such other revenue bonds.

"Record Date" means the 15th day (whether or not a Business Day) of the calendar month next preceding the month in which an interest payment on any Bond is to be made. Any such written notice for electronic transfer shall be signed by such owner and shall include the name of the bank, its address, its ABA routing number and the name, number and contact name related to such owner's account at such bank to which the payment is to be credited.

Interchangeability and Transfer

The Series 2010P Bonds will be transferable at the office of the Trustee, as Bond Registrar. The Authority has agreed to pay the fees, charges and expenses of the Trustee, which fees, charges and expenses shall include all costs incurred in connection with the issuance, transfer, exchange, registration, redemption or payment of the Series 2010P Bonds, except (a) the reasonable fees and expenses in connection with the replacement of any Series 2010P Bond or Series 2010P Bonds mutilated, stolen, lost or destroyed, or (b) any tax or other governmental charge imposed in relation to the transfer, exchange, registration, redemption or payment of the Series 2010P Bonds. Such additional costs shall be paid by the registered owners. The Trustee shall not be required (i) to transfer or exchange any Series 2010P Bond during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of such Series 2010P Bond and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Series 2010P Bond so selected for redemption in whole or in part, during a period beginning at the opening of business on any Record Date for such series of Series 2010P Bonds and ending at the close of business on the relevant interest payment date therefor.

Redemption of Series 2010P Bonds

Optional Redemption. The Series 2010P Bonds maturing on and after September 1, 2021 are subject to redemption and payment prior to maturity, at the option of the Authority, which shall be exercised upon written direction of the Board or the University, on and after September 1, 2020, in whole or in part on any date at a redemption price equal to 100% of the principal amount thereof, plus accrued interest thereon to the redemption date.

Extraordinary Optional Redemption. The Series 2010P Bonds are subject to redemption and payment prior to the stated maturity thereof, at the option of the Authority, which shall be exercised upon written direction from the Board or the University, in whole or in part from the maturity or maturities selected by the University at any time, at a redemption price equal to 100% of the principal amount thereof, plus accrued interest thereon to the redemption date, without premium, upon the occurrence of any of the following events:

- (1) as a result of any changes in the Constitution of the State of Kansas or the Constitution of the United States of America or of legislative or administrative action (whether state or federal) or by final direction, judgment or order of any court or administrative body (whether state or federal) entered after the contest thereof by the Board or the University in good faith, the Indenture or the Pledge Agreement becomes void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed therein; or
- (2) the Board or the University is required or ordered, by legislative, judicial or administrative action of the United States or of the State of Kansas, or any agency, department or subdivision thereof, to operate the facilities financed or refinanced with the proceeds of the Series 2010P Bonds in a manner inconsistent with the stated goals, purposes and policies of the Board or the University, including without limitation its goals, purposes and policies with respect to its primary operations, and such legislative, judicial or administrative action is applicable to the Board or the University because the Board or the University is a party to the Pledge Agreement.

Mandatory Redemption. The Series 2010P-2 Bonds maturing September 1, 2030 are subject to mandatory redemption and payment prior to maturity on September 1 in each of the years set forth below, at 100% of the principal amount thereof plus accrued interest to the redemption date, without premium:

<u>Year</u>	<u>Principal Amount</u>
2029	\$995,000
2030 [†]	1,025,000

[†] Maturity Date

The Trustee shall, in each year in which the Series 2010P-2 Bonds referenced above (collectively, the "Term Bonds") are to be redeemed pursuant to the terms of this subsection, make timely selection of such Term Bonds or portions thereof to be redeemed pursuant to the terms of this subsection in \$5,000 units of principal amount in such equitable manner as the Trustee determines and shall give notice thereof without further instructions from the Authority or the University. At the option of the Authority, to be exercised on or before the 35th day next preceding each mandatory redemption date, the Authority may (1) deliver to the Trustee for cancellation Term Bonds in the aggregate principal amount desired, (2) furnish to the Trustee funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds from any Owner thereof in the open market at a price not in excess of 100% of the principal amount thereof, whereupon the Trustee shall use its best efforts to expend such funds for such purposes, or (3) elect to receive a credit in respect to the mandatory redemption obligation under this subsection for any Term Bonds which prior to such date have been redeemed (other than through the operation of the requirements of this subsection) and cancelled by the Trustee and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation to redeem Term Bonds on the next mandatory redemption date applicable to Term Bonds that is at least 35 days after receipt by the Trustee of such instructions from the Authority, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds in chronological order or such other order as the Authority may designate, and the principal amount of Term Bonds to be redeemed on such future mandatory redemption dates by operation of the requirements of this subsection shall be reduced accordingly. If the Authority intends to exercise any option granted by the provisions of clauses (1), (2) or (3) of this subsection, the Authority will, on or before the 35th day next preceding the applicable mandatory redemption date, furnish the Trustee a written certificate signed by the Authority Representative indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with in respect to such mandatory redemption payment.

Notice and Effect of Redemption. Notice of the call for any redemption identifying the Bonds, or portions thereof, to be redeemed shall be given by mailing a copy of the redemption notice by registered or certified mail not more than 60 days and not less than 20 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of any such Bonds.

On and after the redemption date specified in a notice of redemption, such Bonds, or portions thereof, thus called shall not bear interest, shall no longer be protected by the Indenture and shall not be deemed to be Outstanding under the provisions of the Indenture, and the holders thereof shall have the right only to receive the redemption price thereof plus accrued interest thereon to the date fixed for redemption.

Acceleration

Upon the happening of any Event of Default specified in the Indenture and the continuance of the same for the period, if any, specified in the Indenture for such Event of Default, the Trustee may, without any action on the part of the Bondholders, and shall upon the written request of the Registered Owners of not less than twenty-five percent (25%) in principal amount of the Bonds of the affected series then Outstanding

thereunder, and upon being indemnified to its satisfaction, by notice in writing delivered to the Authority, the Board and the University, declare the entire principal amount of the affected series of Bonds then Outstanding under the Indenture and the interest accrued thereon, immediately due and payable, and the said entire principal and interest shall thereupon become and be immediately due and payable; subject, however, to the right of the Registered Owners of the majority in principal amount of the Bonds of the affected series then Outstanding, by written notice to the Trustee, the Board, the University and the Authority, to rescind and annul such declaration and destroy its effect as provided in the Indenture. See the caption "SUMMARY OF THE INDENTURE – Acceleration of Maturity; Rescission and Annulment" in *Appendix C* to this Official Statement.

Additional Bonds and Parity Obligations

Additional Bonds may be issued by the Authority and Additional Indebtedness may be incurred by the University which would be on a parity with the Series 2010P Bonds in accordance with the provisions of the Indenture, and the University may incur indebtedness that would constitute Subordinated Indebtedness in accordance with the provisions of the Pledge Agreement. See the captions "SUMMARY OF THE INDENTURE -- Authorization of Additional Bonds," and "SUMMARY OF THE PLEDGE AGREEMENT -- Additional Bonds" and "SUMMARY OF THE PLEDGE AGREEMENT -- Additional Indebtedness" in *Appendix C* to this Official Statement.

SECURITY FOR THE SERIES 2010P BONDS

General

The Bonds and the interest thereon shall be special, limited obligations of the Authority payable solely and only from, and are secured by a transfer, pledge and assignment by the Authority of and a grant of a security interest in, the Trust Estate, in favor of the owners of the Bonds, as provided in the Indenture. The Bonds and interest thereon shall not be deemed to constitute a debt or liability of the State of Kansas or of any agency or political subdivision thereof within the meaning of any state constitutional provision or statutory limitation and shall not constitute a pledge of the full faith and credit of the State of Kansas or of any agency or political subdivision thereof, but shall be payable solely from the Trust Estate. The issuance of the Bonds shall not, directly, indirectly or contingently, obligate the State of Kansas or any agency or political subdivision thereof to levy any form of taxation therefor or, except as otherwise provided in the JCERTA Act, to make any appropriation for their payment. The State of Kansas shall not in any event be liable for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach by the Authority of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State of Kansas or any charge upon its general credit or against its taxing power. Neither the Authority, the Board nor the University has any taxing power.

The Pledge Agreement

The principal of, redemption premium, if any, and interest payable on the Series 2010P Bonds are payable solely from the Revenues derived by the Authority under the Pledge Agreement. Pursuant to the Pledge Agreement, the University will agree to deposit all Revenues as received to the credit of the Revenue Fund.

The Revenues

Pursuant to the Pledge Agreement, the University has pledged and assigned to the Authority the Revenues. The "Revenues" consist of (a) the KUMC Clinical Research Center Sales Tax Revenues, and investment earnings thereon, (b) any BAB Interest Subsidy Payments, and (c) other funds available to the Board or the University and actually deposited into the Revenue Fund. The "KUMC Clinical Research Center Sales Tax Revenues" include the KUMC Clinical Research Center portion of the University's proportionate

share of a one-eighth of a percent (0.125%) countywide retailers' sales tax approved by the voters of Johnson County, Kansas, on November 4, 2008, and adopted and levied by the Board of Commissioners of Johnson County, effective from and after April 1, 2009, pursuant to the JCERTA Act, and the related countywide compensating use tax imposed by K.S.A. 12-198 (collectively, the "2008 Sales Tax"). The 2008 Sales Tax was authorized by the JCERTA Act, pursuant to which sales tax collections are authorized to be used for the purpose of supporting in equal shares (i) the undergraduate and graduate programs at the Edwards campus of the University, (ii) the research and education programs in animal health and food safety and security at the K-State Olathe Innovation Campus in Olathe, Kansas, and (iii) the medical education and life sciences and cancer research programs at the Johnson County locations of KUMC. The KUMC Clinical Research Center Sales Tax Revenues also include the KUMC Clinical Research Center portion of the University's proportionate share of any future countywide retailers' sales tax imposed pursuant to the JCERTA Act, and any related countywide compensating use tax imposed in connection therewith (collectively, the "Additional Sales Tax"). The KUMC Clinical Research Center of the University is entitled to one-third (1/3) of all receipts of the 2008 Sales Tax and any Additional Sales Tax, after JCERTA retains up to 2% of such receipts for payment of its administrative expenses.

Pursuant to the JCERTA Act, the 2008 Sales Tax and any Additional Sales Tax enacted by the voters are subject to voter recall upon proper petition and submission of the issue to a recall ballot in a general election. See the caption "INVESTMENT CONSIDERATIONS – Changes to Sales Tax."

The 2008 Sales Tax and any Additional Sales Tax are enforced and collected in the same manner as other countywide retailers' sales taxes and compensating use taxes are collected. The gross receipts from the 2008 Sales Tax and any Additional Sales Tax (the "Sales Tax Revenues") are collected by the Kansas Director of Taxation and remitted to the State Treasurer in accordance with Kansas law. Upon receipt of each remittance, the State Treasurer is required to deposit the entire amount of the Sales Tax Revenues to the credit of the JCERTA Retailers' Sales Tax Fund within the State Treasury. All Sales Tax Revenues are required by the JCERTA Act to be remitted at least quarterly by the State Treasurer to the treasurer of Johnson County, Kansas. However, pursuant to a Memorandum of Understanding among the Authority, the Kansas Department of Revenue and the State Treasurer dated as of September 1, 2009 (the "Memorandum of Understanding"), the State Treasurer has agreed to remit the Sales Tax Revenues to Johnson County, Kansas on a monthly basis by the last Business Day of each month. All Sales Tax Revenues received by the Johnson County Treasurer are required by the JCERTA Act to be appropriated by Johnson County to JCERTA. Such Sales Tax Revenues are required to be remitted by JCERTA *in equal shares* to the designated officials for the Edwards campus of the University of Kansas, KUMC's Johnson County locations and the K-State Olathe Innovation Campus; provided that prior to such remittance, JCERTA is permitted to use not more than two percent of the Sales Tax Revenues for administrative expenses of JCERTA or its Board of Directors. See the caption "TAX LEVY, REPORTING, COLLECTION AND DISTRIBUTION."

All Revenues, including the KUMC Clinical Research Center Sales Tax Revenues, will be deposited in the Revenue Fund. Within one Business Day after each deposit of Revenues into the Revenue Fund, the Trustee will apply the moneys in the Revenue Fund as described under the caption "SUMMARY OF THE TRUST INDENTURE – Revenue Fund" in *Appendix C*. Revenues are generally applied *first*, to fund ongoing Bond-related fees and expenses, *second*, to fund a portion of the interest payable on Parity Bonds and Parity Indebtedness on the next interest payment date, *third*, to fund a portion of the principal payable on Parity Bonds and Parity Indebtedness on the next principal payment date, *fourth*, to fund deficiencies in any account of the Debt Service Reserve Fund relating to Parity Bonds, *fifth*, to pay arbitrage rebate, *sixth*, to fund debt service payable on Subordinate Bonds or Subordinate Indebtedness, and *seventh*, to pay certain amounts payable in connection with a Qualified Swap Agreement, if applicable. Any amounts remaining after such distributions are made are paid to the University to be used for any other lawful purpose. The University intends to use amounts so distributed to the University to pay the costs of operating the Project, as required by the JCERTA Act.

Debt Service Reserve Fund

Concurrently with the issuance and delivery of the Series 2010P Bonds, the Trustee will deposit into the Series 2010P Account of the Debt Service Reserve Fund an amount equal to the Debt Service Reserve Requirement with respect to the Series 2010P Bonds from proceeds of the Series 2010P Bonds. Additional Bonds may be secured by a separate account of the Debt Service Reserve Fund or a comparable reserve fund established at the time of issuance of such Additional Bonds as provided in the Supplemental Indenture authorizing such Additional Bonds from the proceeds of the sale of such Additional Bonds or other available moneys. The Series 2010P Account of the Debt Service Reserve Fund secures only the Series 2010P Bonds, and any Additional Bonds are not entitled to the benefit and security of the Series 2010P Account of the Debt Service Reserve Fund.

The Debt Service Reserve Requirement with respect to any Series of Parity Bonds is equal to the Maximum Annual Debt Service on such Series of Bonds in the current or any future fiscal year; provided, that if the Authority intends that the interest on such Bonds will be excluded from gross income for federal income tax purposes or the Authority intends to be entitled to receive BAB Interest Subsidy Payments with respect to the payment of interest on such Bonds, the maximum amount permitted by the Internal Revenue Code to be deposited from the proceeds of such Bonds in a debt service reserve fund without being subject to yield restriction under the Internal Revenue Code and without causing the interest on such Bonds to be included in gross income for federal income tax purposes or adversely affecting the Authority's rights to receive BAB Interest Subsidy Payments, as applicable.

The Debt Service Reserve Fund shall be maintained in an amount equal to the Debt Service Reserve Fund Requirement. Funds on deposit in an account of the Debt Service Reserve Fund shall be used to pay the principal of and redemption premium, if and interest on the related series of Bonds if sufficient moneys therefore are not available in the applicable accounts of the Debt Service Fund and the Capitalized Interest Fund. See the caption "SUMMARY OF THE INDENTURE – Debt Service Reserve Fund" in *Appendix C* to this Official Statement.

The Trustee shall determine the Value of cash and Permitted Investments in the Debt Service Reserve Fund each September 1 and at the time of any withdrawal from the Debt Service Reserve Fund and at such other times as the Trustee deems appropriate. If on any such valuation date, the Value of cash and Permitted Investments on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement, or at any time any amount is withdrawn from the Debt Service Reserve Fund for the purposes described above, the Trustee shall immediately notify the Authority, the Board and the University of such deficiency. If at any time of valuation, the Value of cash and Permitted Investments on deposit in the Debt Service Reserve Fund is in excess of the Debt Service Reserve Requirement, the Trustee shall transfer the amount of such excess to the Debt Service Fund.

TAX LEVY, REPORTING, COLLECTION AND DISTRIBUTION

Sales and Compensating Use Taxes

Overview

The source of payment for the Series 2010P Bonds is the KUMC Clinical Research Center portion of the University's proportionate share of the gross receipts from the 2008 Sales Tax and any Additional Sales Tax. Pursuant to the JCERTA Act, these taxes are administered, enforced and collected in the same manner and by the same procedure as other countywide retailers' sales taxes are levied and collected. The State Director of Taxation must cause such taxes to be collected within and outside the boundaries of Johnson County at the same time and in the same manner provided for the collection of the state retailers' sales tax and local retailers' sales tax.

Tax Base

Sales Tax. Sales tax is imposed upon the gross receipts from retail sale of tangible personal property and specified services. Gross receipts subject to tax do not include allowable discounts, rescinded sales where a complete refund is made and trade-in allowances. Historically, this tax base has changed throughout the years, providing either the exemption or inclusion of certain property items and services. Currently, Kansas exempts prescription drugs from sales tax but imposes the tax on food. More specifically, there are approximately 100 categories of exempt sales.

Compensating Use Tax. The compensating use tax is imposed on the purchase price paid for tangible personal property used, stored or consumed within the State. The use tax does not apply to purchases of articles that are not subject to sales tax, to purchases made other than at retail, or to articles already subject to an equal or greater tax. The use tax also does not apply to articles brought into the state by nonresidents for a period not in excess of 60 days, or by a railroad or public utility for consumption or movement in interstate commerce.

Retail Sales; Exemptions. The Kansas sales tax generally applies to three types of transactions: (1) the retail sale, rental or lease of tangible personal property, including the sales or furnishing of utilities; (2) charges for labor services to install, apply, repair, service, alter or maintain tangible personal property; and (3) the sales of admissions to places providing amusement, entertainment or recreation services. Each such retail sale is presumed to be taxable, but there are numerous exemptions. Some exemptions are explicitly provided for, while others are the result of exceptions to a definition of a taxable sale or of tangible personal property. Exemptions are granted on the basis of the nature of the product, the type of transaction, or the nature of the entity buying or selling the product.

Sales Tax Reporting and Collection

All retailers with annual sales tax liability over \$3,200 are required to file tax returns reporting their sales activity for that month on or before the 25th of the following month. Tax payments must accompany the tax report, except that if annual tax liability exceeds \$32,000, the tax for the first 15 days of the months must be paid on or before the 25th day of that month.

Deposit of Sales Tax Revenues with State Treasurer

Any county or city imposing a retailers' sales tax is prohibited from administering or collecting the tax locally, and is required to utilize the services of the State Department of Revenue to administer, enforce and collect the tax. Similarly, the JCERTA Act requires that Johnson County utilize the services of the State Department of Revenue and the State Treasurer to administer, enforce and collect the 2008 Sales Tax and any Additional Sales Tax. The State Director of Taxation is required to cause all Sales Tax Revenues to be remitted to the State Treasurer in accordance with Kansas law, and the State Treasurer is required to deposit the entire amount of the Sales Tax Revenues so received to the credit of the JCERTA Retailers' Sales Tax Fund within the State Treasury in accordance with the JCERTA Act.

Transfer of Sales Tax Revenues to Johnson County Treasurer

All local retailers' sales and use tax revenues collected within any county or city are required to be apportioned and remitted at least quarterly by the State Treasurer to the Treasurer of a county or city. The State Treasurer has historically distributed local sales and use tax collection on a monthly basis near the end of the month. The current practice of the State Treasurer is to distribute the receipts from local sales and use taxes received by the 15th of the month during the last week of the month. Thus, for example, sales and use taxes collected by retailers during the month of April would be submitted to the State Treasurer by the May 25th and would be distributed to the local jurisdictions during the last week of June.

Similar to the general local sales and use tax statutes, the JCERTA Act requires that the State Treasurer remit all of the Sales Tax Revenues to the Treasurer of Johnson County at least quarterly. However, pursuant to the Memorandum of Understanding, the State Treasurer has agreed to remit the Sales Tax Revenues to Johnson County on a monthly basis by the last Business Day of each month.

Transfer of Sales Tax Revenues to JCERTA

Pursuant to the JCERTA Act, all Sales Tax Revenues received by the Treasurer of Johnson County pursuant to the JCERTA Act are required to be appropriated by Johnson County to JCERTA.

Distribution of Sales Tax Revenues by JCERTA

Pursuant to the JCERTA Act, all Sales Tax Revenues received by JCERTA are required to be remitted by JCERTA *in equal shares* to designated officials for the Edwards Campus of the University, Kansas State University for the K-State Olathe Innovation Campus in Olathe, Kansas, and KUMC's Johnson County locations; provided that JCERTA may retain up to two percent (2%) of the Sales Tax Revenues collected in any fiscal year as reimbursement for administrative expenses incurred by JCERTA or its board of directors. The University is the "designated official" under the JCERTA Act for the KUMC Clinical Research Center and is entitled to receive the portion of the Sales Tax Revenues allocable thereto.

The University has directed JCERTA to remit all KUMC Clinical Research Center Sales Tax Revenues directly to the Trustee, for deposit in the Revenue Fund. In the event that, notwithstanding such direction, JCERTA remits any KUMC Clinical Research Center Sales Tax Revenues directly to the University, the University has agreed to immediately remit such Sales Tax Revenues to the Trustee, for deposit in the Revenue Fund.

**HISTORICAL AND PROJECTED
KUMC CLINICAL RESEARCH CENTER SALES TAX REVENUES**

The KUMC Clinical Research Center Sales Tax Revenues derived from the 2008 Sales Tax is the source of the Revenues. The 2008 Sales Tax was levied commencing on April 1, 2009. Sales Tax Revenues from the 2008 Sales Tax were received and distributed by JCERTA to the KUMC Clinical Research Center and the two other beneficiaries of the 2008 Sales Tax in the period from June 2009 through June 2010, as follows:

All Sales Tax Revenues received by the University for the period from June 2009 through September 2010, will be retained by the University and will not be transferred to the Trustee for deposit in the Revenue Fund. All Sales Tax Revenues received by the University with respect to the KUMC Clinical Research Center following the date of issuance of the Series 2010P Bonds will be transferred to the Trustee for deposit in the Revenue Fund.

Although the 2008 Sales Tax was not effective until April 1, 2009, the amount of Sales Tax Revenues that would have been generated in prior calendar years if the 2008 Sales Tax had been in effect in such years can be calculated by applying the 0.125% tax rate of the 2008 Sales Tax to historical data with respect to local sales tax and compensating use tax collections derived from the 0.1% stormwater management sales tax imposed in Johnson County (the "Stormwater Tax"), which has the same tax base as the 2008 Sales Tax. Such hypothetical Sales Tax Revenues are presented in the following table, together with the hypothetical application of such Sales Tax Revenues in accordance with the JCERTA Act.

***Hypothetical Historical KUMC Clinical Research Center Sales Tax Revenues Received by the University

Information with respect to sales tax receipts is available only for the first eight months of calendar year 2010. Using the assumptions and historical data described above, the amount of *actual* KUMC Clinical Research Center Sales Tax Revenues received by JCERTA for the period from January through August 2010 is \$2,889,050 compared to \$2,961,897 of *hypothetical* Sales Tax Revenues that would have been received by JCERTA for the period from January through August of 2009.

Presented in the following table are the projected Sales Tax Revenues and KUMC Clinical Research Center Sales Tax Revenues for calendar years 2010 through 2030, including the required application of projected Sales Tax Revenues in accordance with the JCERTA Act. Because the 2008 Sales Tax will not be pledged to the Series 2010P Bonds until the date of issuance of the Series 2010P Bonds, the projected Sales Tax Revenues for 2010 reflect a partial year of receipts commencing in October 2010. The projections for October 2010 through December 2010 are based on actual 2008 Sales Tax receipts for the period from October 2009 to December 2009 and assume a 5% decline. Projections for 2011 assume no growth in Sales Tax Revenues, projections for 2012 through 2014 assume 2% per year growth in Sales Tax Revenues, and projections for 2015 through 2031 assume no growth or decline in Sales Tax Revenues. **No assurance is given that the projected Sales Tax Revenues will be realized in the amounts set forth below. Such projections are based on certain assumptions concerning future events. Actual future events are likely to vary from such assumptions, and such variations may be material.** Neither the Authority nor the Underwriters make any representation, express or implied, as to the accuracy or completeness of any numerical, technical or statistical data or any estimates or assumptions made in preparing the projections regarding Sales Tax Revenues contained in this Official Statement. No party assumes any responsibility to update such information following the delivery of the Series 2010P Bonds.

INVESTMENT CONSIDERATIONS

Bondowners' Risks

*The following is a discussion of certain risks that could affect payments to be made by the University with respect to the Series 2010P Bonds. Such discussion is not, and is not intended to be, exhaustive and should be read in conjunction with all other parts of this Official Statement and should not be considered as a complete description of all risks that could affect such payments. Prospective purchasers of the Series 2010P Bonds should analyze carefully the information contained in this Official Statement, including the Appendices hereto, and additional information in the form of the complete documents summarized herein and in **Appendix C**, copies of which are available as described herein.*

General

The payment of the Series 2010P Bonds and interest thereon is subject to certain risks. The Series 2010P Bonds and the interest thereon do not constitute an obligation of the Board, the University, JCERTA or the State, and are payable solely from the Revenues pledged pursuant to the Indenture and the Pledge Agreement. No representation or assurance can be given that Revenues will be realized in amounts sufficient to make payments under the Indenture with respect to the Series 2010P Bonds. The realization of future Sales Tax Revenues is dependent upon future changes in economic and other conditions that are unpredictable and cannot be determined at this time. No owner can compel taxation to pay debt service on the Series 2010P Bonds.

Additional Bonds and Additional Indebtedness can be issued on a parity with the Series 2010P Bonds. See the captions "SUMMARY OF THE INDENTURE -- Authorization of Additional Bonds," "SUMMARY OF THE PLEDGE AGREEMENT -- Additional Bonds" and "SUMMARY OF THE PLEDGE AGREEMENT -- Additional Indebtedness" in *Appendix C* to this Official Statement.

Changes in Economic and Demographic Conditions

Sales tax revenues historically have been sensitive to changes in local, regional and national economic conditions. For example, sales tax revenues have historically declined during economic recessions, when high unemployment adversely affects consumption. Demographic changes in the population of Johnson County, Kansas may adversely affect the level of sales tax revenues. A decline in population, or reductions in the level of tourism in the Johnson County-Kansas City metropolitan area, could reduce the number and value of taxable transactions and thus reduce the amount of sales tax revenues. It is not possible to predict whether or to what extent any such changes in economic conditions, demographic characteristics, population or commercial and industrial activity will occur, and what impact any such changes would have on the Sales Tax Revenues. Certain information with respect to Johnson County is contained in *Appendix B* to this Official Statement.

Changes to Sales Tax

The voters of Johnson County have the right to repeal the previously authorized 2008 Sales Tax and any future Additional Sales Tax that produces the Sales Tax Revenues pledged to payment of the Series 2010P Bonds. If the 2008 Sales Tax is repealed, there will be no source of revenue to pay debt service on the Series 2010P Bonds. The JCERTA Act specifically provides that the 2008 Sales Tax and any Additional Sales Tax are subject to voter recall upon proper petition and submission of the issue to a recall ballot in a general election. The electors of Johnson County approved the 2008 Sales Tax in the general election held on November 4, 2008, with 57.11% of the 270,286 votes cast in favor of imposition of the tax. There is no direct statutory guidance regarding the procedures for a recall of the 2008 Sales Tax or any Additional Sales Tax. Kansas law governing the recall of elected local officials requires the filing of a petition signed by registered electors in number at least equal to 40% of the votes cast for all candidates for the office of the local official sought to be recalled in the last general election in which such local official was elected. The removal of a local official from office requires a majority vote by electors in favor of the recall of such official.

Any change in the current system of collection and distribution of sales and compensating use taxes generally, or of the 2008 Sales Tax or any Additional Sales Tax specifically, including without limitation the reduction or elimination of any such tax, changes to the tax base and exemptions applicable to any such tax, judicial action concerning any such tax, or any voter initiative, referendum or action with respect to any such tax, would likely affect the amount of Sales Tax Revenues generated and could adversely affect the availability of Revenues in amounts sufficient to pay the principal of and interest on the Series 2010P Bonds. There can be no assurance that the current system of collection and distribution of sales taxes will not be changed by any competent authority having jurisdiction to do so, including without limitation the State, the courts or the voters.

Distribution of Sales Tax Revenues

Gross receipts of the 2008 Sales Tax and any Additional Sales Tax are deposited with the State Treasurer, who is required by state law to remit such moneys to the Treasurer of Johnson County at least quarterly. The State Treasurer has agreed to remit such moneys to the Treasurer of Johnson County on a monthly basis by the last Business Day of each month. Upon receipt, the Johnson County Treasurer is required by state law to appropriate and remit such moneys to JCERTA, which is required by state law to distribute such moneys (after payment of certain expenses) in equal shares to the University for the Edwards Campus, to the University for KUMC and to the K-State Olathe Innovation Campus, as described under the caption "TAX LEVY, COLLECTION, REPORTING AND DISTRIBUTION – Distribution of Sales Tax Revenues by JCERTA." Although it is expected that such transfers will be made by the Treasurer of Johnson County and JCERTA promptly upon their receipt of such moneys, there can be no guarantee that such transfers of moneys will be made in a timely fashion. Any significant delay in the required transfers could adversely affect the availability of Revenues in amounts sufficient to pay the principal of and interest on the Series 2010P Bonds when due.

Projections

Projections of anticipated receipts of Sales Tax Revenues are included under the caption "HISTORICAL AND PROJECTED KUMC CLINICAL RESEARCH CENTER SALES TAX REVENUES." Such projections are based on various assumptions that are based on facts and events that are not within the control of the Authority, the Board or the University. No representation or warranty is or can be made about the amount or timing of any future receipts of Sales Tax Revenues or that actual results will be consistent with the projections contained herein. The projections regarding future receipts of Sales Tax Revenues are based on various assumptions and estimates. The actual results may vary from the projections, and such variations may be material.

Amendment of the Indenture

The Authority and the Trustee may, without the consent of, or notice to, any of the Bondowners, amend or supplement the Indenture for any one or more of the purposes set forth under the caption "SUMMARY OF THE INDENTURE – Supplemental Indentures without Consent of Bondowners" in *Appendix C*. There can be no assurances that any such amendment will not be adverse to the interests of the Owners of the Series 2010P Bonds.

Certain amendments to the Indenture may be made with the consent of the owners of a majority in aggregate principal amount of the outstanding Bonds. Such amendments may adversely affect the security of the Bondowners, and such percentage may consist wholly or partially of the Bondowners other than the Series 2010P Bondowners.

Secondary Market for the Series 2010P Bonds

The Underwriters are not obligated to make a secondary market in the Series 2010P Bonds, and although the Underwriters intend to do so, there can be no assurance that the Underwriters will continue to do so or that there will be sufficient demand for the Series 2010P Bonds in the secondary market to create efficient pricing of the Series 2010P Bonds in the secondary market.

Covenant to Maintain Exclusion of Interest on the Series 2010P-1 Bonds from Federal Gross Income

The exclusion of interest on the Series 2010P-1 Bonds from gross income for federal income tax purposes is based on the continued compliance by the Authority and the University with certain covenants contained in the Pledge Agreement, the Tax Compliance Agreement and the Indenture. These covenants relate generally to arbitrage limitations and rebate of certain excess investment earnings to the federal

government. Failure to comply with any of these covenants may result in the inclusion of interest on the Series 2010P-1 Bonds in gross income retroactive to the date of issuance.

Federal Subsidy Payment With Respect to the Series 2010P-2 Bonds

The Authority intends to elect to designate the Series 2010P-2 Bonds as Build America Bonds for the purposes of the American Recovery and Reinvestment Act of 2009 and to receive BAB Interest Subsidy Payments from the United States Treasury with respect thereto. The BAB Interest Subsidy Payments are required to be deposited into the Revenue Fund to be applied to pay a portion of the interest on the Series 2010P-2 Bonds. The priority of the United States Treasury making the cash subsidy payment is the same as the United States Treasury refunding overpayments of tax. Since BAB Interest Subsidy Payments are technically considered tax refunds, they can be reduced to offset any outstanding amounts owed to the federal government. In the event the Authority does not receive the BAB Interest Subsidy Payments from the U.S. Treasury in a timely fashion, all of the interest on the Bonds will be paid from other sources, to the extent available. Neither the timely receipt of the BAB Interest Subsidy Payments from the U.S. Treasury or any delay in receiving such payments affects the obligations of the University under the Pledge Agreement.

Matters Relating to Security for the Series 2010P Bonds

The remedies available to the Trustee or the Owners of the Series 2010P Bonds upon an Event of Default under the Indenture are in many respects dependent upon State laws concerning the use of assets of charitable corporations and by federal and State laws relating to bankruptcy, fraudulent conveyances, and rights of creditors and by application of general principles of equity applicable to the availability of specific performance, and may be substantially delayed in the event of judicial actions or other litigation or statutory remedy procedures, which are often subject to discretion and delay. Based upon existing constitutional and statutory law and judicial decisions, including specifically the federal Bankruptcy Code, the remedies provided in the Indenture upon a default may not be readily available or may be limited in application. The various legal opinions to be delivered concurrently with the delivery of the Series 2010P Bonds and the delivery of the Pledge Agreement and the Indenture will be qualified as to the enforceability of the various legal instruments by limitations imposed by State and federal laws, rulings and decisions affecting remedies, and by general principles of equity and by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

RATINGS

Standard & Poor's Rating Services, a division of the McGraw-Hill Companies, Inc., has assigned the Series 2010P Bonds a rating of "AA" and Moody's Investors Services has assigned the Series 2010P Bonds a rating of "Aa2". Such ratings reflect only the views of the issuing rating agencies, and an explanation of the significance of such ratings may be obtained from such rating agencies.

Generally, rating agencies base their ratings on such information and materials and investigations, studies and assumptions furnished to and obtained and made by such rating agencies. The debt ratings are not a recommendation to purchase, sell or hold a security, inasmuch as they do not comment as to market price or suitability for a particular investor. There is no assurance that the above ratings will remain in effect for any given period of time or that they may not be lowered, suspended or withdrawn entirely by the rating agencies if they deem circumstances are appropriate. Any downward change in, suspension or withdrawal of such ratings may have an adverse effect on the market price of the Series 2010P Bonds.

TAX MATTERS

The following is a summary of the material Federal and State of Kansas income tax consequences of holding and disposing of the Bonds. This summary is based upon laws, regulations, rulings and judicial decisions now in effect, all of which are subject to change (possibly on a retroactive basis). This summary does not discuss all aspects of Federal income taxation that may be relevant to investors in light of their personal investment circumstances or describe the tax consequences to certain types of owners subject to special treatment under the Federal income tax laws (for example, dealers in securities or other persons who do not hold the Bonds as a capital asset, tax-exempt organizations, individual retirement accounts and other tax deferred accounts, and foreign taxpayers), and, except for certain tax laws of the State of Kansas, does not discuss the consequences to an owner under any state, local or foreign tax laws. The summary does not deal with the tax treatment of persons who purchase the Bonds in the secondary market at a premium or a discount. Prospective investors are advised to consult their own tax advisors regarding Federal, state, local and other tax considerations of holding and disposing of the Bonds.

Opinion of Bond Counsel - Series 2010P-1 Bonds

Federal Tax Exemption – Series 2010P-1 Bonds. In the opinion of Bond Counsel, under existing law, the interest on the Series 2010P-1 Bonds (including any original issue discount properly allocable to an owner thereof) is excludable from gross income for Federal income tax purposes, is not an item of tax preference for purposes of the Federal alternative minimum tax imposed on individuals and corporations and is not taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinions set forth in this paragraph are subject to the condition that the Authority, the Board and the University comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code"), that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for Federal income tax purposes. The Authority, the Board and the University have covenanted to comply with all such requirements. Failure to comply with certain of such requirements may cause the inclusion of interest on the Series 2010P-1 Bonds in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds.

Kansas Tax Exemption. The Series 2010P-1 Bonds and the interest paid thereon are exempt from all Kansas state, county and municipal taxes, including income, inheritance and property taxes.

Bank Qualification. The Series 2010P-1 Bonds have **not** been designated as "qualified tax-exempt obligations" for purposes of Section 265(b) of the Code.

No Other Opinions. Bond Counsel expresses no opinion regarding other federal, state or local tax consequences arising with respect to the Bonds.

Other Federal Tax Matters – Series 2010P-1 Bonds

Series 2010P-1 Bonds Purchased at a Premium. If a Series 2010P-1 Bond is purchased at a price that exceeds the stated redemption price at maturity of the bonds, the excess of the purchase price over the stated redemption price at maturity constitutes "premium" on the Series 2010P-1 Bond, and the bond is referred to hereafter as a "Tax-Exempt Premium Bond." Under Section 171 of the Code, the purchaser of a Tax-Exempt Premium Bond must amortize the premium over the term of the bond using constant yield principles, based on the purchaser's yield to maturity. As premium is amortized, the owner's basis in the Tax-Exempt Premium Bond and the amount of tax-exempt interest received will be reduced by the amount of amortizable premium properly allocable to the owner. This will result in an increase in the gain (or decrease in the loss) to be recognized for Federal income tax purposes on sale or disposition of the Tax-Exempt Premium Bond prior to its maturity. Even though the owner's basis is reduced, no Federal income tax

deduction is allowed. Prospective investors should consult their own tax advisors concerning the calculation and accrual of bond premium.

Series 2010P-1 Bonds Purchased with Original Issue Discount. For Federal income tax purposes, original issue discount ("OID") is the excess of the stated redemption price at maturity of a Series 2010P-1 Bond over its issue price. The issue price of a Series 2010P-1 Bond is the first price at which a substantial amount of the Series 2010P-1 Bonds of that maturity have been sold (ignoring sales to bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents, or wholesalers). Under Section 1288 of the Code, OID on tax-exempt bonds accrues on a compound basis. The amount of OID that accrues to an owner of a Series 2010P-1 Bond during any accrual period generally equals (1) the issue price of that Series 2010P-1 Bond, plus the amount of OID accrued in all prior accrual periods, multiplied by (2) the yield to maturity on that Series 2010P-1 Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (3) any interest payable on that Series 2010P-1 Bond during that accrual period. The amount of OID accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for Federal income tax purposes, and will increase the owner's tax basis in that Series 2010P-1 Bond. Prospective investors should consult their own tax advisors concerning the calculation and accrual of OID.

Other Federal Tax Consequences. Prospective purchasers of the Series 2010P-1 Bonds should be aware that ownership of the Series 2010P-1 Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income," foreign corporations subject to the branch profits tax, life insurance companies, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry or have paid or incurred certain expenses allocable to the Series 2010P-1 Bonds.

Federal Tax Matters – Series 2010P-2 Bonds

TO ENSURE COMPLIANCE WITH TREASURY DEPARTMENT CIRCULAR 230, OWNERS OF THE SERIES 2010P-2 BONDS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF FEDERAL TAX ISSUES IN THIS OFFICIAL STATEMENT RELATING TO THE SERIES 2010P-2 BONDS IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON, BY OWNERS OF THE SERIES 2010P-2 BONDS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON THOSE OWNERS UNDER THE CODE; (B) THE DISCUSSION OF FEDERAL TAX ISSUES IN THIS OFFICIAL STATEMENT RELATING TO THE SERIES 2010P-2 BONDS WAS WRITTEN IN CONNECTION WITH THE PROMOTION OR MARKETING OF THOSE SERIES 2010P-2 BONDS; AND (C) OWNERS OF THE SERIES 2010P-2 BONDS SHOULD SEEK ADVICE FROM AN INDEPENDENT TAX ADVISOR BASED ON THEIR PARTICULAR CIRCUMSTANCES.

Opinion of Bond Counsel - Series 2010P-2 Bonds

Kansas Tax Exemption. In the opinion of Gilmore & Bell, P.C., Bond Counsel, the interest on the Series 2010P-2 Bonds is exempt from all Kansas state, county and municipal taxes, including income, inheritance and property taxes.

Interest on Series 2010P-2 Bonds Taxable; Federal Tax Status of Series 2010P-2 Bonds as Build America Bonds

Interest Taxable. The interest on the Series 2010P-2 Bonds (including any original issue discount properly allocable to an owner thereof) will be included in gross income for Federal income tax purposes in accordance with the owner's normal method of accounting.

Election. The Issuer will elect to treat the Series 2010P-2 Bonds as qualified "build America bonds" under Section 54AA of the Code and will elect to receive a direct payment from the U.S. Treasury equal to a portion of the interest payable on the Series 2010P-2 Bonds ("Build America Bonds - Direct Payment").

No Opinion. Bond Counsel is not rendering any opinion to owners of the Series 2010P-2 Bonds regarding the qualification of the Series 2010P-2 Bonds as Build America Bonds – Direct Payment or the treatment of interest on the Series 2010P-2 Bonds for Federal income taxation. Purchasers of Series 2010P-2 Bonds should consult their tax advisors as to the applicability of these tax consequences and other Federal income tax consequences of the purchase, ownership and disposition of the Series 2010P-2 Bonds, including the possible application of state, local, foreign and other tax laws.

Other Federal Income Tax Consequences -- Series 2010P-2 Bonds

Series 2010P-2 Bonds Purchased at a Premium. If a Series 2010P-2 Bond is purchased at a price that exceeds the stated redemption price of the bond at maturity, the excess of the purchase price over the stated redemption price at maturity constitutes premium on the bond, and the bond is referred to in this discussion as a "Taxable Premium Bond." Under Section 171 of the Code, the purchaser of a Taxable Premium Bond may elect to amortize the premium over the term of the Taxable Premium Bond using constant yield principles, based on the purchaser's yield to maturity. An owner of a Taxable Premium Bond amortizes bond premium by offsetting the qualified stated interest allocable to an accrual period with the bond premium allocable to that accrual period. This offset occurs when the owner takes the qualified stated interest into income under the owner's regular method of accounting. If the premium allocable to an accrual period exceeds the qualified stated interest for that period, the excess is treated by the owner as a deduction under Section 171(a)(1) of the Code. As premium is amortized, the owner's basis in the Taxable Premium Bond will be reduced by the amount of amortizable premium properly allocable to the owner. Prospective investors should consult their own tax advisors concerning the calculation and accrual of bond premium.

Series 2010P-2 Bonds Purchased with Original Issue Discount. For Federal income tax purposes, original issue discount ("OID") is the excess of the stated redemption price at maturity of a Series 2010P-2 Bond over its "issue price," defined as the first price at which a substantial amount of the Series 2010P-2 Bonds of that maturity have been sold (ignoring sales to bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents, or wholesalers). If the OID on a Series 2010P-2 Bond is more than less than a *de minimis* amount (generally 1/4% of 1% of the stated redemption price at maturity of the Bond multiplied by the number of complete years to its maturity date), then the Bond will be treated as issued with OID (a "Taxable OID Bond"). The amount of OID that accrues to an owner of a Taxable OID Bond during any accrual period generally equals (1) the issue price of that Taxable OID Bond, plus the amount of OID accrued in all prior accrual periods, multiplied by (2) the yield to maturity on that Taxable OID Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (3) any interest payable on that Taxable OID Bond during that accrual period. The amount of OID accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be included in gross income for Federal income tax purposes, and will increase the owner's tax basis in that Taxable OID Bond. Prospective investors should consult their own tax advisors concerning the calculation and accrual of OID.

Other Federal Income Tax Consequences Applicable to Owners of the Series 2010P Bonds

Sale or Exchange. Upon the sale, exchange or retirement (including redemption) of a Series 2010P Bond, an owner of the bond generally will recognize gain or loss in an amount equal to the difference between the amount of cash and the fair market value of any property received on the sale, exchange or retirement of the Series 2010P Bond (other than in respect of accrued and unpaid interest) and the owner's adjusted tax basis in the bond. To the extent the Series 2010P Bonds are held as a capital asset, the gain or loss will be capital gain or loss and will be long-term capital gain or loss if the bond has been held for more than 12 months at the time of sale, exchange or retirement.

Information Reporting and Backup Withholding. In general, information reporting requirements will apply to certain payments of principal, interest and premium paid on the Series 2010P Bonds, and to the proceeds paid on the sale of Series 2010P Bonds, other than certain exempt recipients (such as corporations and foreign entities). A backup withholding tax will apply to these payments if the owner fails to provide a taxpayer identification number or certification of foreign or other exempt status or fails to report in full dividend and interest income. The amount of any backup withholding from a payment to an owner will be allowed as a credit against the owner's Federal income tax liability.

Authorization, Amount and Title of Bonds

The Authority may issue Bonds in one or more series from time to time under the Indenture, but subject to the provisions of the Indenture and any Supplemental Indenture authorizing a series of Bonds. No Bonds may be issued under the Indenture except in accordance with the provisions of the Indenture. The total principal amount of Bonds, the number of Bonds and series of Bonds that may be issued under the Indenture is not limited, except with respect to the Series 2010P Bonds as provided in the Indenture, and with respect to Additional Bonds as provided in the Indenture and in the Supplemental Indenture providing for the issuance thereof, and except as may be limited by law.

Authorization of Additional Bonds

Additional Parity Bonds may be issued under and equally and ratably secured by the Indenture on a parity (except as otherwise provided in the Indenture) with the Series 2010P Bonds and any other Parity Bonds at any time and from time to time, upon compliance with the conditions set forth in the Indenture and in the Pledge Agreement, for any purpose authorized under the Act. - (f) A request and authorization to the Trustee, on behalf of the Authority, executed by an Authority Representative, to authenticate the Additional Bonds and deliver said Additional Bonds to the purchasers therein identified upon payment to the Trustee, for the account of the Authority, of the purchase price thereof. Except as provided in the Indenture and in the Pledge Agreement, the Authority will not otherwise issue any obligations on a parity with the Parity Bonds or the Subordinate Bonds.

Method and Place of Payment

Interest on any Bond that is due and payable but not paid on the date due ("Defaulted Interest") shall cease to be payable to the owner of such Bond on the relevant Record Date and shall be payable to the owner in whose name such Bond is registered at the close of business on a special record date (the "Special Record Date") for the payment of such Defaulted Interest, which Special Record Date shall be fixed in the following manner. The Board shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the following sentence), and shall deposit with the Trustee at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment; money deposited with the Trustee shall be held in trust for the benefit of the owners of the Bonds entitled to such Defaulted Interest as provided in the Indenture. Following receipt of such funds the Trustee shall fix the Special Record Date for the payment of such Defaulted Interest which shall be not more than **15** nor less than **10** days prior to the date of the proposed payment and not less than **10** days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Board of such Special Record Date and, in the name and at the expense of the Board, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each owner of a Bond entitled to such notice at the address of such owner as it appears on the bond register not less than **10** days prior to such Special Record Date.

Payments Due on Non-Business Days

In any case where the date of maturity of principal of, redemption premium, if any, or interest on the Bonds or the date fixed for redemption of any Bonds shall be a day other than a Business Day, then payment of principal, redemption premium, if any, or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Nonpresentment of Bonds

In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the Authority to the owner thereof for the payment of such Bond, shall forthwith terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such funds in trust, without liability for interest thereon, for the benefit of the owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under the Indenture or on or with respect to said Bond. If any Bond is not presented for payment within four years following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall repay to the Board the funds theretofore held by it for payment of such Bond

without liability for interest thereon, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Board, and the owner thereof shall be entitled to look only to the Board for payment, and then only to the extent of the amount so repaid, and the Board shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Selection of Bonds to be Redeemed

Bonds may be redeemed only in the principal amount of **\$5,000** (or other authorized denomination of the Bonds of any series specified in the Supplemental Bond Indenture authorizing such series of Bonds) or any integral multiple thereof.

Bonds that are to be redeemed pursuant to the optional redemption provisions shall be selected from the maturity or maturities selected by the Board, unless otherwise provided in a Supplemental Indenture with respect to a particular Series of Bonds. If less than all Bonds of any maturity are to be redeemed, the particular Bonds to be redeemed shall be selected by the Trustee from the Bonds of such maturity which have not previously been called for redemption, in such equitable manner as the Trustee may determine and which may provide for the selection for redemption of portions of the principal of Bonds equal to **\$5,000** (or other minimum authorized denomination of the Bonds of such series) of the principal of Bonds of a denomination larger than **\$5,000** (or such other minimum authorized denomination).

The Trustee shall promptly notify the Authority and the Board in writing of the Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

The Trustee, upon the written instructions from the Authority given pursuant to written direction of the Board, shall use excess moneys in the Debt Service Fund to redeem all or part of the Parity Bonds Outstanding and to pay interest to accrue thereon prior to such redemption and redemption premium, if any, on the next succeeding redemption date for which the required redemption notice may be given or on such later redemption date as may be specified by the Board or the University, in accordance with the provisions of the Indenture, so long as the Board or the University is not in default with respect to any payments under the Pledge Agreement and to the extent said moneys are in excess of the amount required for payment of Parity Bonds theretofore matured or called for redemption. The Board or the University may cause such excess money in the Debt Service Fund or such part thereof or other moneys of the Board or the University, as the Board or the University may direct, to be applied by the Trustee, pursuant to appropriate written instructions of the Board or the University, on a reasonable efforts basis to the extent practical for the purchase of Parity Bonds in the open market for the purpose of cancellation at prices not exceeding the principal amount thereof plus accrued interest thereon to the date of such purchase.

After payment in full of the principal of, redemption premium, if any, and interest on the Parity Bonds (or after provision has been made for the payment thereof as provided in the Indenture), moneys in the Debt Service Fund shall be applied as follows: (a) if any Parity Indebtedness remains outstanding, such moneys shall be transferred to the debt service account established with respect to such Parity Indebtedness and applied to pay the principal of and redemption premium, if any, and interest on the Parity Indebtedness as the same become due and payable; (b) if no Parity Indebtedness remains outstanding but any Subordinate Bonds or Subordinated Indebtedness remains outstanding, such moneys shall be transferred to the Subordinated Indebtedness Fund and applied to pay the principal of and redemption premium, if any, and interest on the Subordinate Bonds and Subordinate Indebtedness as the same become due and payable and (c) if no Parity Indebtedness, Subordinate Bonds or Subordinated Indebtedness remain outstanding, such moneys shall be applied to pay the fees, charges and expenses of the Trustee, any Paying Agents and the Authority and any other amounts required to be paid under the Indenture and the Pledge Agreement, and all amounts remaining in the Debt Service Fund following such payments shall be paid to the Board.

Debt Service Reserve Fund

The Trustee shall deposit and credit to the Debt Service Reserve Fund, as and when received, as follows:

- (a) The initial deposits required by the Indenture in an amount equal to the Debt Service Reserve Requirement for the Series 2010P Bonds.
- (b) Any amount required to be transferred from the Revenue Fund pursuant to the Indenture to make up a deficiency in the Debt Service Reserve Fund.

- (c) Interest earnings and other income on Permitted Investments required to be deposited in the Debt Service Reserve Fund pursuant to the Indenture.
- (d) Amounts transferred from the Project Fund pursuant to the Indenture.
- (e) Any amounts required by a Supplemental Indenture authorizing the issuance of Additional Bonds to be deposited in the Debt Service Reserve Fund, as specified in such Supplemental Indenture.
- (f) All other moneys received by the Trustee under and pursuant to any of the provisions of the Pledge Agreement or any other Transaction Document, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Debt Service Reserve Fund.

Unless otherwise specified by the Authority in connection with the issuance of Additional Bonds, the Trustee shall establish one account within the Debt Service Reserve Fund for all series or subseries of Bonds issued on the same day. Except as otherwise provided in the Indenture, moneys in an account of the Debt Service Reserve Fund shall be disbursed and expended by the Trustee solely for the payment of the principal of and redemption premium, if any, and interest on the related series or subseries of Bonds if sufficient moneys therefor are not available *first*, in the Debt Service Fund (if the Bonds are Parity Bonds) or the Subordinated Indebtedness Fund (if the Bonds are Subordinate Bonds) and *second*, in the related account of the Capitalized Interest Fund. In the event the balance of moneys in the Debt Service Fund or the Subordinated Indebtedness Fund, as applicable, and the related account of the Capitalized Interest Fund is insufficient to pay principal of or interest on a series of Bonds when due and payable, moneys in the related account of the Debt Service Reserve Fund shall be transferred into the Debt Service Fund or the Subordinated Indebtedness Fund, as applicable, in an amount sufficient to make up such deficiency; provided that if the Debt Service Reserve Fund secures multiple series or subseries of Bonds issued on the same day and the balance of moneys in the Debt Service Fund or the Subordinated Indebtedness Fund is insufficient to fund such deficiency, then the deficiency with respect to such series or subseries of Bonds shall be funded on a pro rata basis. The Trustee may use moneys in the Debt Service Reserve Fund for such purpose whether or not the amount in the Debt Service Reserve Fund at that time equals the Debt Service Reserve Requirement. Such moneys shall be used first to make up any deficiency in the payment of interest and then principal. Moneys in an account of the Debt Service Reserve Fund shall also be used to pay the last Bonds of the related series becoming due unless such Bonds and all interest thereon be otherwise paid, and thereafter any remaining balance in an account of the Debt Service Reserve Fund shall be paid to the Board.

The Trustee shall determine the Value of cash and Permitted Investments in the Debt Service Reserve Fund each September 1 and at the time of any withdrawal from the Debt Service Reserve Fund and at such other times as the Trustee deems appropriate. If on any such valuation date, the Value of cash and Permitted Investments on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement, or at any time any amount is withdrawn from the Debt Service Reserve Fund for the purposes described above, the Trustee shall immediately notify the Authority and the Board of such deficiency. If at any time of valuation, the Value of cash and Permitted Investments on deposit in the Debt Service Reserve Fund is in excess of the Debt Service Reserve Requirement, the Trustee shall transfer the amount of such excess to the Debt Service Fund.

The Debt Service Reserve Requirement may be satisfied by deposits in cash, Permitted Investments, or an insurance policy, letter of credit or surety bond issued by a financial entity qualified pursuant to the next succeeding paragraph of this section, guaranteeing payments into the Debt Service Reserve Fund in the amount of the Debt Service Reserve Requirement in accordance with the requirements of the Indenture.

In lieu of the required deposits into the Debt Service Reserve Fund, the Board may cause to be deposited in the Debt Service Reserve Fund a surety bond, an insurance policy, a letter of credit or other credit facility, with a term of no less than five years, payable to the Trustee that in each case shall be in an amount equal to the difference between the Debt Service Reserve Requirement and the sums, if any, then on deposit to the credit of the Debt Service Reserve Fund. The insurer providing such surety bond or insurance policy shall be an insurer whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated in the highest rating category by a Rating Agency. The letter of credit issuer shall be a bank or trust company and any other facility issuer shall be a company or other legal entity that is rated not lower than the second highest rating category by a Rating Agency, and the letter of credit or other credit facility itself shall be rated in the highest category of either such Rating Agency. Should the rating of the insurer, letter of credit or other credit facility issuer, as applicable, or the letter of credit itself fall below the required level, a replacement or a fully funded Debt Service Reserve Fund must be in place within 12 months of such downgrading. Six months prior to the expiration of such insurance policy, letter of credit or other credit facility, a commitment for delivery of a replacement therefor prior to such expiration date must have been received or the Debt Service Reserve Fund must be fully funded not later than the expiration date of such policy, letter of credit or credit facility.

Subordinated Indebtedness Fund

The Trustee shall apply amounts in the Subordinated Indebtedness Fund at the times, in the amounts and to the purposes specified with respect thereto in the respective resolutions, indentures or other instruments, including any Supplemental Indenture, relating to such Fund and the Subordinate Bonds and/or Subordinated Indebtedness payable therefrom or secured thereby.

Expense Fund

The Trustee shall apply amounts in the Expense Fund at the times and in the amounts necessary to pay all ongoing Bond-related fees and expenses such as Authority fees, Trustee fees, dissemination agent fees, remarketing fees, auction fees, rebate analyst fees and similar fees and expenses when due.

Rebate Fund

There shall be deposited in the Rebate Fund any amounts required to be transferred thereto from the Revenue Fund pursuant to the Indenture and any other amounts required to be deposited in the Rebate Fund pursuant to the Indenture or the Federal Tax Certificates. All amounts on deposit at any time in the Rebate Fund shall be held by the Trustee in trust to the extent required to pay rebatable arbitrage to the United States of America, and neither the Board, the Authority nor the owner of any Bonds shall have any rights in or claim to such money. All amounts held in the Rebate Fund shall be governed by the Indenture and by the Federal Tax Certificates.

Pursuant to the Federal Tax Certificates, the Trustee shall remit all required rebate installments and a final rebate payment to the United States. Neither the Trustee nor the Authority shall have any obligation to pay any amounts required to be rebated pursuant to the Indenture and the Federal Tax Certificates, other than from moneys held in the Rebate Fund created under the Indenture as provided in the Indenture or from other moneys provided to it by the Board or the University. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Tax-Exempt Bonds and payment and satisfaction of any rebatable arbitrage and payment of all fees, charges and expenses of the Trustee and the Authority, shall be withdrawn and paid to the University.

The obligation to pay arbitrage rebate to the United States and to comply with all other requirements of the Indenture and the Federal Tax Certificates shall survive the defeasance or payment in full of the Tax-Exempt Bonds until all rebatable arbitrage shall have been paid.

Records and Reports of Trustee

The Trustee agrees to maintain such records with respect to any and all moneys or investments held by the Trustee pursuant to the provisions of the Indenture as are reasonably requested by the Authority. The Trustee shall furnish to the Authority and the Board, quarterly not later than the tenth Business Day after the end of each calendar quarter, a report on the status of each of the funds and accounts established under the Indenture which are held by the Trustee, showing the balance in each such fund or account as of the first day of the preceding calendar quarter, the total of deposits to and the total of disbursements from each such fund or account, the dates of such deposits and disbursements, and the balance in each such fund or account on the last day of the preceding calendar quarter. The Trustee shall render an annual accounting for each fiscal year ending June 30 to the Authority, the Board, and any bondowner at the expense of such bondowner requesting the same, showing in reasonable detail all financial transactions relating to the Trust Estate during the accounting period, including investment earnings and the balance in any funds or accounts created by the Indenture as of the beginning and close of such accounting period.

Moneys to be Held in Trust

All moneys deposited with or paid to the Trustee for the funds and accounts held under the Indenture, and all moneys deposited with or paid to any Paying Agent under any provision of the Indenture shall be held by the Trustee or Paying Agent in trust and shall be applied only in accordance with the provisions of the Indenture and the Pledge Agreement, and, until used or applied as provided in the Indenture, shall (except for moneys in the Rebate Fund) constitute part of the Trust Estate and be subject to the lien, terms and provisions of the Indenture and shall not be commingled with any other funds of the Authority or the Board except as provided under the Indenture for investment purposes. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received under the Indenture except for accounting for income from Permitted Investments.

Investment of Moneys

Moneys held in each of the funds and accounts under the Indenture shall be invested and reinvested by the Trustee, pursuant to written directions of the Authority Representative, in accordance with the provisions of the Indenture and the Federal Tax Certificates in Permitted Investments that mature or are subject to redemption by the owner thereof prior to the date such funds are expected to be needed. The Trustee may conclusively rely upon such instructions as to both the suitability and legality of the directed investments. In the absence of such written direction, the Trustee shall invest moneys in Permitted Investments of the type described in the Indenture. The Trustee may make any investments permitted by the provisions of the Indenture through its own bond department or short-term investment department or that of any affiliate of the Trustee and may pool moneys for investment purposes, except moneys held in any fund or account that are required to be yield restricted in accordance with the Federal Tax Certificates, which shall be invested separately. Any such Permitted Investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund or account in which such moneys are originally held. The interest accruing on each fund or account and any profit realized from such Permitted Investments (other than any amounts required to be deposited in the Rebate Fund pursuant to the Indenture) shall be credited to such fund or account, and any loss resulting from such Permitted Investments shall be charged to such fund or account; provided that interest earned on moneys on deposit in an account of the Debt Service Reserve Fund shall be transferred to the Debt Service Fund (if the related Bonds are Parity Bonds) or the Subordinated Indebtedness Fund (if the related Bonds are Subordinate Bonds) if amounts on deposit in the Debt Service Reserve Fund are equal to the Debt Service Reserve Requirement, and interest earned on moneys on deposit in the Project Fund shall be transferred to the Debt Service Fund (if the related Bonds are Parity Bonds) or the Subordinated Indebtedness Fund (if the related Bonds are Subordinate Bonds). The Trustee shall sell or present for redemption and reduce to cash a sufficient amount of such Permitted Investments whenever it shall

be necessary to provide moneys in any fund or account for the purposes of such fund or account and the Trustee shall not be liable for any loss resulting from such investments.

Limited Obligations

The Bonds and the interest thereon shall be special, limited obligations of the Authority payable solely and only from, and are secured by a transfer, pledge and assignment by the Authority of and a grant of a security interest in, the Trust Estate, in favor of the owners of the Bonds, as provided in the Indenture. The Bonds and interest thereon shall not be deemed to constitute a debt or liability of the State of Kansas or of any political subdivision thereof within the meaning of any state constitutional provision or statutory limitation and shall not constitute a pledge of the full faith and credit of the State of Kansas or of any political subdivision thereof, but shall be payable solely from the Trust Estate. The issuance of the Bonds shall not, directly, indirectly or contingently, obligate the State of Kansas or any political subdivision thereof to levy any form of taxation therefor or, except as otherwise provided in the JCERTA Act, to make any appropriation for their payment. The State of Kansas shall not in any event be liable for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach by the Authority of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State of Kansas or any charge upon its general credit or against its taxing power. The Authority has no taxing power.

Inspection of Books

The Authority covenants and agrees that all books and documents in its possession relating to the Bonds, the Indenture and the Pledge Agreement, and the transactions relating thereto shall at all reasonable times be open to inspection by such accountants or other agencies as the Trustee may from time to time designate. The Trustee covenants and agrees that all books and documents in its possession relating to the Bonds, the Indenture and the Pledge Agreement, and the transactions relating thereto, including financial statements of the Board, shall be open to inspection by the Authority during business hours upon reasonable notice.

Enforcement of Rights

The Authority agrees that the Trustee, as assignee, transferee, pledgee, and owner of a security interest under the Indenture in its name or in the name of the Authority may enforce all rights of the Authority and the Trustee and all obligations of the Board under and pursuant to the Pledge Agreement and any other Transaction Documents for and on behalf of the bondowners, whether or not the Authority is in default under the Indenture.

Amendments to the Pledge Agreement

The Pledge Agreement may be supplemented or amended by Supplemental Pledge Agreements executed by the Authority and the Board as provided in the Pledge Agreement; provided that subsequent to the issuance of any Bonds and prior to their payment in full (or provision thereof having been made in accordance with the provisions of the Indenture), the Pledge Agreement may not be amended, changed, modified, altered or terminated without the written consent of the Trustee.

Tax Covenants

The Authority covenants and agrees that to the extent within its power and control, (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series 2010P-1 Bonds

and to maintain the Authority's right to receive BAB Interest Subsidy Payments with respect to each payment of interest on the Series 2010P-2 Bonds. and (2) it will not use or permit the use of any proceeds of Series 2010P-1 Bonds or Series 2010P-2 Bonds or any other funds of the Authority nor take or permit any other action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from federal gross income of the interest on the Series 2010P-1 Bonds or would adversely affect the Authority's right to receive BAB Interest Subsidy Payments with respect to each payment on interest on the Series 2010P-2 Bonds. The Authority will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Series 2010P-1 Bonds will remain excluded from federal gross income and the Authority will remain entitled to receive BAB Interest Subsidy Payments with respect to each payment on interest on the Series 2010P-2 Bonds, to the extent any such actions can be taken by the Authority.

The Authority covenants and agrees that to the extent within its power and control, (1) it will comply with all requirements of Code Section 148 to the extent applicable to the Series 2010P-1 Bonds and Series 2010P-2 Bonds, (2) it will use the proceeds of the Series 2010P-1 Bonds and Series 2010P-2 Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Series 2010P-1 Bonds and Series 2010P-2 Bonds are issued, and (3) it will not invest or directly or indirectly use or permit the use of any proceeds of the Series 2010P-1 Bonds or the Series 2010P-2 Bonds or any other funds of the Authority in any manner, or take or omit to take any action, that would cause the Series 2010P-1 Bonds or Series 2010P-2 Bonds to be "arbitrage bonds" within the meaning of Code Section 148(a).

The Authority covenants and agrees that to the extent within its power and control, it will not use any portion of the proceeds of the Series 2010P-1 Bonds or the Series 2010P-2 Bonds, including any investment earnings on such proceeds, directly or indirectly, in a manner that would cause any Series 2010P-1 Bond or Series 2010P-2 Bond to be a "private activity bond" within the meaning of Code Section 141(a) of the Code.

The Authority covenants and agrees that to the extent within its power and control, it will pay or otherwise provide for the payment from moneys available in the Rebate Account from time to time of all amounts required to be rebated to the United States pursuant to Code Section 148(f) and any Treasury Regulations applicable to the Series 2010P-1 Bonds and the Series 2010P-2 Bonds from time to time. The Authority specifically covenants to pay or cause to be paid to the United States, the required amounts of rebatable arbitrage at the times and in the amounts as determined by the Federal Tax Certificates. Notwithstanding anything to the contrary contained in the Indenture, the Federal Tax Certificates may be amended or replaced if, in the opinion of Bond Counsel such amendment or replacement will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series 2010E-1 Bonds and will not adversely affect the Authority's right to receive BAB Interest Subsidy Payments with respect to each payment of interest on the Series 2010P-2 Bonds. This covenant shall survive payment in full or defeasance of the Series 2010P-1 Bonds and the Series 2010P-2 Bonds.

Acceleration of Maturity; Rescission and Annulment

If an Event of Default occurs and is continuing, the Trustee may, and if requested in writing by the owners of not less than **25%** in principal amount of the Outstanding Bonds of the affected series shall, by written notice to the Authority, the Board and the Trustee, declare the principal of the affected series of Bonds and the interest accrued thereon to the date of acceleration to be due and payable, and upon any such declaration such principal and interest shall become immediately due and payable.

Notwithstanding the foregoing or any other provision of the Indenture to the contrary, there shall be no acceleration of any Subordinate Bonds as long as any series of Parity Bonds remains Outstanding.

At any time after a declaration of acceleration has been made with respect to a series of Bonds, but before any judgment or decree for payment of money due on any such series of Bonds has been obtained by the Trustee as provided in the Indenture, the owners of a majority in principal amount of the Outstanding Bonds of the affected series may, by written notice to the Authority, the Board and the Trustee, rescind and annul such declaration and its consequences if:

- (a) there is deposited with the Trustee a sum sufficient to pay:
 - (1) all overdue installments of interest on all Bonds of the affected series;
 - (2) the principal of (and premium, if any, on) any Bonds of the affected series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate prescribed therefor in such Bonds; and
 - (3) all sums paid or advanced by the Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and
- (b) all events of default, other than the non-payment of the principal of such series of Bonds which have become due solely by such declaration of acceleration, have been cured or have been waived as provided in the Indenture.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

Exercise of Remedies by the Trustee

- (a) Upon the occurrence and continuance of any Event of Default under the Indenture, unless the same is waived as provided in the Indenture, the Trustee shall have the following rights and remedies, in addition to any other rights and remedies provided under the Indenture or by law:
 - (i) *Right to Bring Suit, Etc.* The Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of, premium, if any, and interest on the affected series of Bonds Outstanding, including interest on overdue principal (and premium, if any) and on overdue installments of interest, and any other sums due under the Indenture, to realize on or to foreclose any of its interests or liens under the Indenture or any other Transaction Document, to enforce and compel the performance of the duties and obligations of the Authority as set forth in the Indenture and to enforce or preserve any other rights or interests of the Trustee under the Indenture with respect to any of the Trust Estate or otherwise existing at law or in equity.
 - (ii) *Appointment of Receiver.* Upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the bondowners under the Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate, pending such proceedings, with such powers as the court making such appointment shall confer.
 - (iii) *Suits to Protect the Trust Estate.* The Trustee shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Trust Estate by any acts which may be unlawful or in violation of the Indenture and to protect its interests and the interests of the bondowners in the Trust Estate, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any governmental

enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security under the Indenture or be prejudicial to the interests of the bondowners or the Trustee, or to intervene (subject to the approval of a court of competent jurisdiction) on behalf of the bondowners in any judicial proceeding to which the Authority or the Board is a party and which in the judgment of the Trustee has a substantial bearing on the interests of the bondowners.

- (iv) *Enforcement Without Possession of Bonds.* All rights of action under the Indenture or any of the Bonds may be enforced and prosecuted by the Trustee without the possession of any of the Bonds or the production thereof in any suit or other proceeding relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and subject to the provisions of the Indenture, be for the equal and ratable benefit of the owners of the Bonds in respect of which such judgment has been recovered.
- (v) *Restoration of Positions.* If the Trustee or any bondowner has instituted any proceeding to enforce any right or remedy under the Indenture by suit, foreclosure, the appointment of a receiver, or otherwise, and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such bondowner, then and in every case the Authority, the Board, the Trustee and the bondowners shall, subject to any determination in such proceeding, be restored to their former positions and rights under the Indenture, and thereafter all rights and remedies of the Trustee and the bondowners shall continue as though no such proceeding had been instituted.

(b) If requested in writing to do so by the owners of not less than **25%** in principal amount of Outstanding Bonds of the affected series and if indemnified as provided in the Indenture, the Trustee shall be obligated to exercise such one or more of the rights and remedies conferred by the Indenture as the Trustee shall deem most expedient in the interests of the bondowners.

(c) Notwithstanding anything to the contrary contained in the Indenture, the owners of Subordinate Bonds, by their acceptance thereof, the Trustee and the Authority expressly agree to and acknowledge that, so long as any Parity Bonds are Outstanding, neither the Trustee on behalf of the owners of Subordinate Bonds or otherwise, nor any owner of Subordinate Bonds, shall have the right to or will (i) institute against, or join any other person in instituting against, the Authority or the Board any bankruptcy, reorganization, arrangement, insolvency, receivership or liquidation proceedings or other collection or enforcement proceeding under any law or pursuant to the terms of the Indenture, a Supplemental Indenture or any Transaction Documents, or (ii) challenge any liens and security interests securing the Parity Bonds.

Trustee May File Proofs of Claim

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Authority or any other obligor upon the Bonds or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Bonds shall then be due and payable, as therein expressed or by declaration or otherwise, and irrespective of whether the Trustee shall have made any demand on the Authority for the payment of overdue principal, premium or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

- (a) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Outstanding Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee

(including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the bondowners allowed in such judicial proceeding, and

- (b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is authorized by the Indenture and by each bondowner to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the bondowners, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under the Indenture.

Nothing contained in the Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any bondowner any plan of reorganization, arrangement, adjustment or composition affecting the Bonds or the rights of any owner thereof, or to authorize the Trustee to vote in respect of the claim of any bondowner in any such proceeding.

Limitation on Suits by Bondowners

No owner of any Bond shall have any right to institute any proceeding, judicial or otherwise, under or with respect to the Indenture, or for the appointment of a receiver or trustee or for any other remedy under the Indenture, unless

- (a) such owner has previously given written notice to the Trustee of a continuing Event of Default;
- (b) the owners of not less than **25%** in principal amount of the Outstanding Bonds of the affected series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee under the Indenture;
- (c) such owner or owners have offered to the Trustee indemnity as provided in the Indenture against the costs, expenses and liabilities to be incurred in compliance with such request;
- (d) the Trustee for **60** days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (e) no direction inconsistent with such written request has been given to the Trustee during such **60**-day period by the owners of a majority in principal amount of the Outstanding Bonds of the affected series;

such notification, request and offer of indemnity are declared by the Indenture in every case, at the option of the Trustee, to be conditions precedent to the appointment of a receiver, or for any other remedy under the Indenture, it being understood and intended that no one or more owners of Bonds shall have any right in any manner whatever by virtue of, or by availing of, any provision of the Indenture to affect, disturb or prejudice the lien of the Indenture or the rights of any other owners of Bonds, or to obtain or to seek to obtain priority or preference over any other owners or to enforce any right under the Indenture, except in the manner provided in the Indenture and for the equal and ratable benefit of all Outstanding Bonds (except to the extent the Subordinate Bonds are subordinate to the Parity Bonds as provided in the Indenture).

Notwithstanding the foregoing or any other provision in the Indenture, however, the owner of any Bond shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and interest on such Bond on the respective stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date) and nothing contained in the Indenture shall affect or impair the right of any owner to institute suit for the enforcement of any such payment.

Control of Proceedings by Bondowners

The owners of a majority in principal amount of the Outstanding Bonds of the affected series shall have the right, during the continuance of an Event of Default, provided indemnity has been provided to the Trustee in accordance with the Indenture:

- (a) to require the Trustee to proceed to enforce the Indenture, either by judicial proceedings for the enforcement of the payment of the affected series of Bonds and the foreclosure of the Indenture, or otherwise; and
- (b) to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under the Indenture;

provided that, with respect to direction pursuant to either clause (a) or (b) above:

- (1) such direction shall not be in conflict with any rule of law or the Indenture,
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction,
- (3) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the owners not taking part in such direction, and
- (4) the Trustee shall have the right to decline to follow any such direction if the Trustee shall in good faith determine that the proceedings so directed would involve the Trustee in personal liability.

Application of Moneys Collected

Any moneys collected by the Trustee pursuant to the Indenture (after the deductions for payment of costs and expenses of proceedings resulting in the collection of such moneys) together with any other sums then held by the Trustee as part of the Trust Estate, shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the affected Bonds and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

- (a) **First:** To the payment of all undeducted amounts due the Trustee under the Indenture;
- (b) **Second:** To the payment of the whole amount then due and unpaid upon the Outstanding Parity Bonds and Parity Indebtedness for principal (and premium, if any) and interest, in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected by the Trustee or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Parity Bonds or Parity Indebtedness) on overdue principal (and premium, if any) and on overdue installments of interest; and in case such proceeds shall be

insufficient to pay in full the whole amount so due and unpaid upon such Parity Bonds and Parity Indebtedness, then to the payment of such principal and interest, without any preference or priority, ratably according to the aggregate amount so due; and

- (c) **Third:** To the payment of the whole amount then due and unpaid upon the Outstanding Subordinate Bonds and Subordinated Indebtedness for principal (and premium, if any) and interest, in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected by the Trustee or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Subordinate Bonds and Subordinated Indebtedness) on overdue principal (and premium, if any) and on overdue installments of interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due and unpaid upon such Subordinate Bonds and Subordinated Indebtedness, then to the payment of such principal and interest, without any preference or priority, ratably according to the aggregate amount so due; and
- (d) **Fourth:** To the payment of the remainder, if any, to the Board, the University, or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of the Indenture, such moneys shall be applied by it at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the owner of any unpaid Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Rights and Remedies Cumulative

No right or remedy conferred in the Indenture upon or reserved to the Trustee or to the bondowners is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given under the Indenture or now or thereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy under the Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Delay or Omission Not Waiver

No delay or omission of the Trustee or of any owner of any Bond to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by the Indenture or by law to the Trustee or to the bondowners may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the bondowners, as the case may be.

Waiver of Past Defaults

Before any judgment or decree for payment of money due has been obtained by the Trustee as provided in the Indenture, the owners of a majority in principal amount of the Outstanding Bonds of the

affected series may, by written notice delivered to the Trustee and the Authority, on behalf of the owners of all such Bonds waive any past default under the Indenture and its consequences, except a default

- (a) in the payment of the principal of (or premium, if any) or interest on any Bond, or
- (b) in respect of a covenant or provision of the Indenture which under the Indenture cannot be modified or amended without the consent of the owner of each Outstanding Bond affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the Indenture; but no such waiver shall extend to or affect any subsequent or other default or impair any right or remedy consequent thereon. No default involving nonpayment of the fees, costs, charges or expenses of the Trustee shall be waived without the consent of the Trustee.

Acceptance of Trusts; Certain Duties and Responsibilities

The Trustee accepts and agrees to execute the trusts imposed upon it by the Indenture, but only upon the following terms and conditions:

- (a) Except during the continuance of an Event of Default,
 - (1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Indenture, and no implied covenants or obligations shall be read into the Indenture against the Trustee; and
 - (2) in the absence of bad faith, negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of the Indenture; but in the case of any such certificates or opinions which by any provision of the Indenture are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of the Indenture.
- (b) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by the Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.
- (c) No provision of the Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, **except** that:
 - (1) this paragraph shall not be construed to limit the effect of paragraph (a) above or the following Section;
 - (2) the Trustee shall not be liable for any error of judgment made in good faith by an authorized officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;
 - (3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the owners of a majority in

principal amount of the Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under the Indenture; and

- (4) no provision of the Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under the Indenture, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.
- (d) Whether or not therein expressly so provided, every provision of the Indenture relating to the conduct or affecting the liability of or conveying insights and duties or affording protection to the Trustee, whether in its capacity as Trustee, Paying Agent, bond registrar or any other capacity, shall be subject to the provisions of the Indenture.

Certain Rights of Trustee

Except as otherwise provided in the Indenture:

- (a) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.
- (b) The Trustee shall be entitled to rely upon an Officer's Certificate or a certificate of the Authority Representative as to the sufficiency of any request or direction of the Board or the Authority respectively mentioned in the Indenture, the existence or non-existence of any fact or the sufficiency or validity of any instrument, paper or proceeding, or that a resolution in the form therein set forth has been adopted by the governing board of the Board or the Authority has been duly adopted, and is in full force and effect.
- (c) Whenever in the administration of the Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action under the Indenture, the Trustee (unless other evidence be specifically prescribed in the Indenture) may, in the absence of bad faith on its part, rely upon an Officer's Certificate or a certificate of the Authority Representative as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Trustee has been notified as provided in the Indenture or of which by said section it is deemed to have notice, the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may, at its discretion, secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.
- (d) The Trustee may consult with counsel (who may be counsel to the Authority, the Board, the University or the Trustee), and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Trustee under the Indenture in good faith and in reliance thereon.
- (e) Notwithstanding anything in the Indenture to the contrary, the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by the Indenture whether at the request or direction of any of the bondowners pursuant to the Indenture or otherwise, unless such bondowners or other party shall have offered to the Trustee reasonable security or indemnity against the fees, advances, costs, expenses and liabilities (except as may result

from the Trustee's own negligence or willful misconduct) which might be incurred by it in compliance with such request or direction; provided that the Trustee may not require indemnity as a condition to declaring the principal of and interest on the Bonds to be due and payable under the Indenture, or to making.

- (f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Authority, personally or by agent or attorney.
- (g) The Trustee assumes no responsibility for the correctness of the recitals contained in the Indenture and in the Bonds, except the certificate of authentication on the Bonds. The Trustee shall not be responsible for the recording or rerecording, filing or refiling of the Indenture, or any security agreement in connection therewith, or for insuring the Project or for collecting any insurance moneys. The Trustee makes no representations to the value or condition of the Trust Estate or any part thereof, or as to the title thereto or as to the security afforded thereby or by the Indenture, or as to the validity or sufficiency of the Indenture or of the Bonds. The Trustee shall not be accountable for the use or application by the Authority, the Board or the University of any of the Bonds or the proceeds thereof or of any money paid to or upon the order of the Authority or the Board under any provision of the Indenture.
- (h) The Trustee, in its individual or any other capacity, may become the owner or pledgee of Bonds and may otherwise deal with the Authority, the Board or the University with the same rights it would have if it were not Trustee.
- (i) All money received by the Trustee shall, until used or applied or invested as provided in the Indenture, be held in trust for the purposes for which they were received. Money held by the Trustee in trust under the Indenture need not be segregated from other funds except to the extent required by law or by the Indenture. The Trustee shall be under no liability for interest on any money received by it under the Indenture except for accounting for income on Permitted Investments. The Trustee shall not be responsible for any loss suffered on any investment made in accordance with the Indenture.
- (j) The Trustee may execute any of the trusts or powers under the Indenture or perform any duties under the Indenture either directly or by or through agents, receivers or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, receiver or attorney appointed with due care by it under the Indenture. The Trustee may in all cases pay such reasonable compensation to such agents, receivers or attorneys as may be reasonably employed in connection with the trusts the Indenture.
- (k) Notwithstanding anything elsewhere in the Indenture contained, before taking any action under the Indenture, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all reasonable costs and expenses to which it may be put and to protect it against all liability which it may incur in or by reason of such action.
- (l) The Trustee may elect not to proceed in accordance with the directions of the Bondowners or otherwise without incurring any liability to the bondowners or otherwise if in the opinion of the Trustee such direction may result in environmental liability to the Trustee, in its individual capacity for which the Trustee has not received indemnity pursuant to the

Indenture from the bondowners, and the Trustee may rely upon an Opinion of Counsel addressed to the Authority and the Trustee in determining whether any action directed by the bondowners or otherwise may result in such liability.

- (m) The Trustee may inform the bondowners of environmental hazards that the Trustee has reason to believe exist, and the Trustee has the right to take no further action and, in such event no fiduciary duty exists, which imposes any obligation for further action with respect to the Trust Estate or any portion thereof if the Trustee, in its individual capacity, determines that any such action would materially and adversely subject the Trustee to environmental or other liability for which the Trustee has not received indemnity pursuant to the Indenture.
- (n) The permissive right of the Trustee to do things enumerated in the Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or its willful misconduct.
- (o) The Trustee shall not be required to give any bond or security in respect of the execution of the said trusts and powers or otherwise in respect to the premises.
- (p) Any action taken by the Trustee taken pursuant to the Indenture upon the request or authority of any person who, at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefore or upon transfer in place thereof.
- (q) The Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of the Indenture, any showings, certificates, opinions, appraisals or other information or corporate action or evidence thereof, in addition to that by the terms of the Indenture required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the Authority to the authentication or any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.
- (r) Notwithstanding any other provision of the Indenture to the contrary, any provision intended to provide authority to act, right to payment of fees or expenses, protection, immunity and indemnification to the Trustee shall be interpreted to include any action of the Trustee, whether it is deemed to be in its capacity as Trustee, bond registrar or paying agent.

Notice of Defaults

The Trustee shall not be required to take notice or be deemed to have notice of any default under the Indenture except failure by the Authority to cause to be made any of the payments to the Trustee required to be made by the Indenture, unless the Trustee shall be specifically notified in writing of such default by the Authority, the Board, or the owners of at least **10%** in principal amount of all Bonds Outstanding, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid. Within **30** days after the Trustee has received notice of any default or the occurrence of any default under the Indenture of which the Trustee is deemed to have notice, the Trustee shall give written notice of such default by first class mail to all owners of Bonds as shown on the bond register maintained by the Trustee, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Bond, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the bondowners. For the purpose of this section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default as defined in the Indenture.

Compensation and Reimbursement

The Trustee shall be entitled to payment or reimbursement

- (a) from time to time for reasonable compensation for all services rendered by it under the Indenture (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
- (b) except as otherwise expressly provided in the Indenture, upon its request, for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of the Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Trustee's negligence, willful misconduct or bad faith; and
- (c) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any action, suit, demand, judgment, claim or liability in connection with the exercise or performance of any of its powers or duties under the Indenture.

All such payments and reimbursements shall be made by the Board or the University with interest at the rate of interest per annum equal to the Prime Rate.

The Trustee shall promptly notify the Board and the University in writing of any claim or action brought against the Trustee in respect of which indemnity may be sought against the Board or the University, setting forth the particulars of such claim or action, and the Board or the University will assume the defense thereof, including the employment of counsel satisfactory to the Trustee and the payment of all expenses. The Trustee may employ separate counsel in any such action and participate in the defense thereof, and the reasonable fees and expenses of such counsel shall not be payable by the Board or the University unless such employment has been specifically authorized by the Board and the University, or the Board or the University fails, in the judgment of the Trustee, to employ competent counsel, or such counsel fails to actively defend such action and protect the interests of the Trustee or the bondowners.

Pursuant to the provisions of the Pledge Agreement, the University has agreed to pay to the Trustee all reasonable fees, charges, advances and expenses of the Trustee, and the Trustee agrees to look only to the University for the payment of all reasonable fees, charges, advances and expenses of the Trustee and any Paying Agent as provided in the Pledge Agreement. The Trustee agrees that the Authority shall have no liability for any fees, charges and expenses of the Trustee.

As security for the payment of such compensation, expenses, reimbursements and indemnity under the Indenture, the Trustee shall be secured under the Indenture by a first lien prior to the Bonds, and shall have the right to use and apply any trust moneys held by it under the Indenture.

Notwithstanding any other provision of the Indenture to the contrary, in each instance in which the Indenture shall provide for compensation, reimbursement, or indemnification to the Trustee, such provision shall be deemed to provide for, whether or not expressly so stated, the payment of all related fees, costs, charges, advances and expenses of the Trustee (including, without limitation attorneys' fees and expenses), unless the context shall clearly indicate otherwise.

Corporate Trustee Required; Eligibility

There shall at all times be a Trustee under the Indenture which shall be a bank or trust company organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, subject to supervision or examination by federal or state authority, and having a combined capital and surplus of at least **\$75,000,000**. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then for the purposes of the Indenture, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of the Indenture, it shall resign immediately in the manner and with the effect specified in the Indenture.

Resignation and Removal of Trustee

- (a) The Trustee may resign at any time by giving written notice thereof to the Authority, the Board, the University and each owner of Bonds Outstanding as shown by the list of bondowners required by the Indenture to be kept at the office of the Trustee. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within **30** days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.
- (b) If the Trustee has or shall acquire any conflicting interest (within the meaning of the Trust Indenture Act of 1939, as amended), it shall, within **90** days after ascertaining that it has a conflicting interest, or within **30** days after receiving written notice from the Authority or the Board (so long as the Board is not in default under the Indenture) that it has a conflicting interest, either eliminate such conflicting interest or resign in the manner and with the effect specified in paragraph (a) above.
- (c) The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Authority and the Trustee signed by the owners of a majority in principal amount of the Outstanding Bonds, or, so long as the Board or the University is not in default and no condition that with the giving of notice or passage of time, or both, would constitute a default under the Pledge Agreement, by the Board or the University. The Authority, the Board or any bondowner may at any time petition any court of competent jurisdiction for the removal for cause of the Trustee.
- (d) If at any time:
 - (1) the Trustee shall fail to comply with paragraph (b) above after written request therefor by the Authority or by any bondowner, or
 - (2) the Trustee shall cease to be eligible under the Indenture and shall fail to resign after written request therefor by the Authority or by any such bondowner, or
 - (3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Authority may remove the Trustee, or (B) the Board, the University or any bondowner may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

- (e) The Trustee shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to the registered owners of Bonds as their names and addresses appear in the bond register maintained by the Trustee. Each notice shall include the name of the successor Trustee and the address of its principal corporate trust office.
- (f) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to the Indenture shall become effective until the acceptance of appointment by the successor Trustee under the Indenture.

Appointment of Successor Trustee

If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Authority, with the written consent of the Board and the University (which consent shall not be unreasonably withheld) (so long as no Event of Default has occurred and is continuing), or the owners of a majority in principal amount of Bonds Outstanding (if an Event of Default has occurred and is continuing), by an instrument or concurrent instruments in writing delivered to the Authority and the retiring Trustee, shall promptly appoint a successor Trustee. In case all or substantially all of the Trust Estate shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee, by written instrument, may similarly appoint a temporary successor to fill such vacancy until a new Trustee shall be so appointed by the Authority or the bondowners. If, within **30** days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee shall be appointed in the manner provided in the Indenture, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the retiring Trustee and any temporary successor Trustee appointed by such receiver or trustee. If no successor Trustee shall have been so appointed and accepted appointment in the manner provided in the Indenture, any bondowner or the resigning or removed Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, until a successor shall have been appointed as above provided. The successor so appointed by such court shall immediately and without further act be superseded by any successor appointed as above provided. Every such successor Trustee appointed pursuant to the provisions of the Indenture shall be a bank or trust company in good standing under the law of the jurisdiction in which it was created and by which it exists, meeting the eligibility requirements of the Indenture.

Acceptance of Appointment by Successor

Every successor Trustee appointed under the Indenture shall execute, acknowledge and deliver to the Authority and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers, trusts and duties of the retiring Trustee and the duties and obligations of the retiring Trustee shall cease and terminate; but, on request of the Authority or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument conveying and transferring to such successor Trustee upon the trusts expressed in the Indenture all the estates, properties, rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee under the Indenture, subject nevertheless to its lien, if any, provided for in the Indenture. Upon request of any such successor Trustee, the Authority shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such estates, properties, rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under the Indenture.

Merger, Consolidation and Succession to Business

Any corporation or association into which the Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee under the Indenture, provided such corporation or association shall be otherwise qualified and eligible under the Indenture, and shall be vested with all of the title to the whole property or Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or any further act on the part of any of the parties to the Indenture. In case any Bonds shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger or consolidation to such authenticating Trustee may adopt such authentication and deliver the Bonds so authenticated with the same effect as if such successor Trustee had itself authenticated such Bonds.

Co-Trustees and Separate Trustees

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any of the Trust Estate may at the time be located, or in the enforcement of any default or the exercise any of the powers, rights or remedies granted in the Indenture to the Trustee, or any other action which may be desirable or necessary in connection therewith, the Trustee shall have power to appoint, and, upon the written request of the Trustee or of the owners of at least **25%** in principal amount of the Bonds Outstanding, the Authority shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint, one or more Persons approved by the Trustee either to act as co-trustee, jointly with the Trustee, of all or any part of the Trust Estate, or to act as separate trustee of any such property, in either case with such powers as may be provided in the instrument of appointment, and to vest in such person or persons in the capacity aforesaid, any property, title, protection, immunity, right or power deemed necessary or desirable, subject to the other provisions of the Indenture. If the Authority does not join in such appointment within **15** days after the receipt by it of a request so to do, or in case an Event of Default has occurred and is continuing, the Trustee alone shall have power to make such appointment.

Should any written instrument from the Authority be required by any co-trustee or separate trustee so appointed for more fully confirming to such co-trustee or separate trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Authority.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

- (a) The Bonds shall be authenticated and delivered, and all rights, powers, duties and obligations under the Indenture in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee under the Indenture, shall be exercised solely, by the Trustee.
- (b) The rights, powers, duties and obligations conferred or imposed by the Indenture upon the Trustee in respect of any property covered by such appointment shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by such co-trustee or separate trustee.

- (c) The Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Authority evidenced by a resolution, may accept the resignation of or remove any co-trustee or separate trustee appointed under the Indenture, and, in case an Event of Default has occurred and is continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Authority. Upon the written request of the Trustee, the Authority shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in the Indenture.
- (d) No co-trustee or separate trustee under the Indenture shall be personally liable by reason of any act or omission of the Trustee, or any other such trustee under the Indenture.
- (e) Any request, demand, authorization, direction, notice, consent, waiver or other act of bondowners delivered to the Trustee shall be deemed to have been delivered to each such co-trustee and separate trustee.

Paying Agents

The Trustee is designated by the Indenture and agrees to act as principal Paying Agent for and in respect to the Bonds. The Authority may, in its discretion, cause the necessary arrangements to be made through the Trustee and to be thereafter continued for the designation of alternate Paying Agents, if any, and for the making available of funds under the Indenture for the payment of the principal of, premium, if any, and interest on the Bonds of any series, or at the principal corporate trust office of said alternate Paying Agents. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be trustee of any funds provided under the Indenture and Paying Agent for principal of, premium, if any, and interest on the Bonds, and the successor Trustee shall become such Trustee and Paying Agent unless a separate Paying Agent or Agents are appointed by the Authority in connection with the appointment of any successor Trustee.

Advances by Trustee

If the Board shall fail to make any payment or perform any of its covenants in the Pledge Agreement, the Trustee may, at any time and from time to time, use and apply any moneys held by it under the Indenture, or make advances, to effect payment or performance of any such covenant on behalf of the Board. All moneys so used or advanced by the Trustee, together with interest at the Prime Rate, shall be repaid by the Board upon demand and such advances shall be secured under the Indenture prior to the Bonds. For the repayment of all such advances the Trustee shall have the right to use and apply any moneys at any time held by it under the Indenture but no such use of moneys or advance shall relieve the Board from any default under the Indenture.

Supplemental Indentures without Consent of Bondowners

Without the consent of the owners of any Bonds, the Authority and the Trustee may from time to time enter into one or more Supplemental Indentures for any of the following purposes:

- (a) to more precisely identify the facilities financed or refinanced with proceeds of the Bonds, or to substitute or add additional property thereto as permitted by the Pledge Agreement, or to correct or amplify the description of any property at any time subject to the lien of the Indenture, or better to assure, convey and confirm unto the Trustee any property subject or required to be subjected to the lien of the Indenture, or to subject to the lien of the Indenture additional property;

- (b) to add to the conditions, limitations and restrictions on the authorized amount, terms or purposes of issue, authentication and delivery of Bonds or of any series of Bonds, as set forth in the Indenture, additional conditions, limitations and restrictions thereafter to be observed;
- (c) to authorize the issuance of any series of Additional Bonds and, make such other provisions as provided in the Indenture;
- (d) to modify or eliminate any of the terms of the Indenture; provided, however, that: (1) such Supplemental Indenture shall expressly provide that any such modifications or eliminations shall become effective only when there is no Bond Outstanding of any series issued prior to the execution of such Supplemental Indenture, and (2) the Trustee may, in its discretion, decline to enter into any such Supplemental Indenture which, in its opinion, may not afford adequate protection to the Trustee when the same becomes operative;
- (e) to evidence the appointment of a separate Trustee or the succession of a new Trustee under the Indenture;
- (f) to add to the covenants of the Authority or to the rights, powers and remedies of the Trustee for the benefit of the owners of all of the Bonds or to surrender any right or power conferred in the Indenture upon the Authority;
- (g) to cure any ambiguity, to correct or supplement any provision in the Indenture which may be inconsistent with any other provision in the Indenture or to make any other change, with respect to matters or questions arising under the Indenture, provided such action shall not materially adversely affect the rights of the owners of the Bonds under the Indenture (in making such determination, the Trustee may rely conclusively upon an Opinion of Counsel);
- (h) to authorize a Qualified Credit Facility, Qualified Liquidity Facility or Qualified Swap Agreement with respect to any Series of Bonds permitted under the Indenture; or
- (i) to modify, eliminate or add to the provisions of the Indenture to such extent as shall be necessary to effect the qualification of the Indenture under the Trust Indenture Act of 1939, as amended, or under any similar federal statute hereafter enacted, or to permit the qualification of the Bonds for sale under the securities laws of the United States or any state of the United States.

Supplemental Indentures with Consent of Bondowners

With the consent of the owners of not less than a majority in principal amount of the Bonds then Outstanding affected by such Supplemental Indenture, the Authority and the Trustee may enter into one or more Supplemental Indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of the owners of the Bonds under the Indenture; provided, however, that no such Supplemental Indenture shall, without the consent of the owner of each Outstanding Bond affected thereby,

- (a) change the stated maturity of the principal of, or any mandatory sinking fund payment with respect to, or any installment of interest on, any Bond, or change any optional redemption date thereof, or reduce the principal amount thereof or the interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which, any Bond, or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the stated maturity thereof (or, in the case of redemption, on or after the redemption date);

- (b) reduce the percentage in principal amount of the Outstanding Bonds, the consent of whose owners is required for any such Supplemental Indenture, or the consent of whose owners is required for any waiver provided for in the Indenture of compliance with certain provisions of the Indenture or certain defaults under the Indenture and their consequences;
- (c) modify the obligation of the Authority to make payment on or provide funds for the payment of any Bond;
- (d) modify or alter the provisions of the proviso to the definition of the term "Outstanding"; or
- (e) modify any of the provisions of the Indenture, except to increase any percentage provided thereby or to provide that certain other provisions of the Indenture cannot be modified or waived without the consent of the owner of each Bond affected thereby; or
- (f) permit the creation of any lien ranking prior to or on a parity with the lien of the Indenture with respect to any of the Trust Estate or terminate the lien of the Indenture on any property at any time subject to the Indenture or deprive the owner of any Bond of the security afforded by the lien of the Indenture.

The Trustee may in its discretion determine whether or not any Bonds would be affected by any Supplemental Indenture and any such determination shall be conclusive upon the owners of all Bonds, whether theretofore or thereafter authenticated and delivered under the Indenture. The Trustee shall not be liable for any such determination made in good faith, and in making such determination may rely conclusively upon an Opinion of Counsel.

It shall not be necessary for the required percentage of owners of Bonds under the Indenture to approve the particular form of any proposed Supplemental Indenture, but it shall be sufficient if such act shall approve the substance thereof.

Effect of Supplemental Indentures

Upon the execution of any Supplemental Indenture under the Indenture, the Indenture shall be modified in accordance therewith and such Supplemental Indenture shall form a part of the Indenture for all purposes; and every owner of Bonds theretofore or thereafter authenticated and delivered under the Indenture shall be bound thereby.

Board's and University's Consent to Supplemental Indentures

So long as the Board or the University is not in default under the Pledge Agreement, a Supplemental Indenture under the Indenture which affects any rights of the Board or the University will not become effective unless and until the Board or the University, or both, as applicable, consents in writing to the execution and delivery of such Supplemental Indenture; provided that receipt by the Trustee of a Supplemental Pledge Agreement executed by the Board and the University in connection with the issuance of Additional Bonds shall be deemed to be the consent of the Board and the University to the execution of the related Supplemental Indenture.

Payment, Discharge and Defeasance of Bonds

Bonds will be deemed to be paid and discharged and no longer Outstanding under the Indenture and will cease to be entitled to any lien, benefit or security of the Indenture if the Authority shall pay or provide for the payment of such Bonds in any one or more of the following ways:

- (a) by paying or causing to be paid the principal of (including redemption premium, if any) and interest on such Bonds, as and when the same become due and payable;
- (b) by delivering such Bonds to the Trustee for cancellation; or
- (c) by depositing in trust with the Trustee or other paying agent or escrow agent meeting the same eligibility requirements of the Trustee under the Indenture, moneys and Defeasance Obligations in an amount, together with the income or increment to accrue thereon, without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such Bonds at or before their respective maturity or redemption dates (including the payment of the principal of, premium, if any, and interest payable on such Bonds to the maturity or redemption date thereof); provided that, if any such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption is given in accordance with the requirements of the Indenture or provision satisfactory to the Trustee is made for the giving of such notice.

The Bonds may be defeased in advance of their maturity or redemption dates only with Defeasance Obligations pursuant to paragraph (c) above, subject to receipt by the Trustee of (1) if the deposit of moneys and Government Obligations with the Trustee is more than **180** days prior to the scheduled full payment of the Bonds, a verification report in form and substance satisfactory to the Trustee prepared by independent certified public accountants, or other verification agent, addressed to and satisfactory to the Trustee and the Authority, to the effect that such moneys and Government Obligations are sufficient for the payment in full of the principal of and redemption premium, if any, and interest on such Bonds on the scheduled maturity or redemption dates, and (2) an Opinion of Bond Counsel addressed and delivered to the Trustee and the Authority in form and substance satisfactory to the Trustee to the effect that the payment of the principal of and redemption premium, if any, and interest on all of the Bonds then Outstanding and any and all other amounts required to be paid under the provisions of the Indenture has been provided for in the manner set forth in the Indenture and to the effect that so providing for the payment of any Bonds will not adversely affect the exclusion of the interest on the Tax-Exempt Bonds from gross income for federal income tax purposes, notwithstanding the satisfaction and discharge of the Indenture.

The foregoing notwithstanding, the liability of the Authority in respect of such Bonds shall continue, but the owners thereof shall thereafter be entitled to payment only out of the moneys and Defeasance Obligations deposited with the Trustee as aforesaid.

Moneys and Defeasance Obligations so deposited with the Trustee pursuant to the Indenture shall not be a part of the Trust Estate but shall constitute a separate trust fund for the benefit of the Persons entitled thereto. Such moneys and Defeasance Obligations shall be applied by the Trustee to the payment (either directly or through any Paying Agent, as the Trustee may determine) to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such moneys and Defeasance Obligations have been deposited with the Trustee.

Satisfaction and Discharge of Indenture

The Indenture and the lien, rights and interests created by the Indenture shall cease, determine and become null and void (except as to any surviving rights under the Indenture) if the following conditions are met:

- (a) the principal of, premium, if any, and interest on all Bonds has been paid or is deemed to be paid and discharged by meeting the conditions of the Indenture;

- (b) all other sums payable under the Indenture with respect to the Bonds are paid or provision satisfactory to the Trustee is made for such payment;
- (c) the Trustee receives an Opinion of Bond Counsel (which may be based upon a ruling or rulings of the Internal Revenue Service) addressed to the Trustee and the Authority to the effect that so providing for the payment of any Bonds will not adversely affect the exclusion of the interest on the Tax-Exempt Bonds from gross income for federal income tax purposes, notwithstanding the satisfaction and discharge of the Indenture; and
- (d) the Trustee receives an Opinion of Bond Counsel addressed and delivered to the Trustee and the Authority to the effect that all conditions precedent in the Indenture to the satisfaction and discharge of the Bonds and the Indenture have been complied with.

Thereupon, the Trustee shall execute and deliver to the Authority a termination statement and such instruments of satisfaction and discharge of the Indenture as may be reasonably requested and shall pay, assign, transfer and deliver to the Authority, or other Persons entitled thereto, all moneys, securities and other property then held by it under the Indenture as a part of the Trust Estate, other than moneys or Defeasance Obligations held in trust by the Trustee as provided in the Indenture for the payment of the principal of, premium, if any, and interest on the Bonds.

Rights Retained After Discharge

Notwithstanding the satisfaction and discharge of the Indenture, the rights of the Trustee under the Indenture shall survive, and the Trustee shall retain such rights, powers and duties under the Indenture as may be necessary and convenient for the payment of amounts due or to become due on the Bonds and the registration, transfer and exchange of Bonds as provided in the Indenture. Nevertheless, any moneys held by the Trustee or any Paying Agent for the payment of the principal of, redemption premium, if any, or interest on any Bond remaining unclaimed for four years after the principal of all Bonds has become due and payable, whether at maturity or upon proceedings for redemption or by declaration as provided in the Indenture, shall then be paid to the Board without liability for interest thereon, and the owners of any Bonds not theretofore presented for payment shall thereafter be entitled to look only to the Board for payment thereof and all liability of the Trustee or any Paying Agent or the Authority with respect to such moneys shall thereupon cease.

SUMMARY OF THE PLEDGE AGREEMENT

The following is a summary of certain provisions of the Pledge Agreement. This summary does not purport to be complete, and reference is made to the full text of the Pledge Agreement for a complete recital of its terms, as well as a complete recital of the defined terms used therein.

Pledge of Revenues

The University pledges and assigns the Revenues and not any other fund or source, to the Authority, as payment of the Debt Service Requirements on the Bonds and certain fees, expenses and deposits of the Authority relating to the Bonds as described in the Pledge Agreement and the Indenture, including, but not limited to, the obligation of the Authority to maintain the Debt Service Reserve Fund in an amount equal to the Debt Service Reserve Requirement, specifically including the obligation of the Authority to provide reimbursement for any advances under any surety bond issued for such Debt Service Reserve Fund. The pledge of the Revenues with respect to the Series 2010P Bonds shall be on a parity with the lien with respect to the Trust Estate with any Additional Parity Bonds issued under the Indenture. By this pledge the University acknowledges that the Authority intends to pledge its rights under the Pledge Agreement to the owners of the Bonds.

Collection and Distribution of Sales Tax Revenues

Pursuant to the JCERTA Act:

(i) the Department of Revenue of the State of Kansas is required to administer, enforce and collect the 2008 Sales Tax and any Additional Sales Tax within and outside the boundaries of Johnson County, Kansas at the same time and in the same manner provided for the collection of the state retailers' sales tax and local retailers' sales tax;

(ii) the State of Kansas Director of Taxation is required to cause all Sales Tax Revenues to be remitted to the State Treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto;

(iii) the State Treasurer is required to deposit all Sales Tax Revenues so received to the credit of the JCERTA Retailer's Sales Tax Fund established in the State Treasury in accordance with the JCERTA Act;

(iv) all Sales Tax Revenues collected and credited to the JCERTA Retailers' Sales Tax Fund are required to be remitted by the State Treasurer at least quarterly to the Treasurer of Johnson County, Kansas, on instruction from the State of Kansas Director of Taxation;

(v) all Sales Tax Revenues received by the Treasurer of Johnson County, Kansas pursuant to the JCERTA Act are required to be appropriated by Johnson County, Kansas to JCERTA; and

(vi) all Sales Tax Revenues received by JCERTA are required to be remitted by JCERTA in equal shares to designated officials for the Edwards campus of the University of Kansas, the K-State Olathe Innovation Campus in Olathe, Kansas, and KUMC's Johnson County locations; provided, however, that JCERTA may retain up to two percent (2%) of the Sales Tax Revenues collected in any fiscal year as reimbursement for administrative expenses incurred by JCERTA or its board of directors.

The Board represents and warrants that the University is the "designated official" for the KUMC's Johnson County location within the meaning of the JCERTA Act.

Revenue Fund

The University covenants that all Revenues shall be deposited as received to the credit of the Revenue Fund. All moneys in the Revenue Fund shall be held in Trust by the Trustee and shall be expended and used only in the manner and in the order specified in the Indenture, and pending such application, shall be subject to a prior lien and charge in favor of the owners of the Bonds and for the further security of such owners until paid out or withdrawn as provided in the Indenture.

The University represents, warrants and covenants that it has directed JCERTA to remit all KUMC Clinical Research Center Sales Tax Revenues directly to the Trustee, for deposit in the Revenue Fund, and that such direction shall remain in full force and effect so long as any Bonds are Outstanding. In the event that, notwithstanding such direction, JCERTA remits any KUMC Clinical Research Center Sales Tax Revenues to the Board or the University, the Board or the University shall immediately remit such KUMC Clinical Research Center Sales Tax Revenues to the Trustee, for deposit in the Revenue Fund.

Assignment of Authority's Rights

Under the Indenture, the Authority has pledged, assigned, transferred in trust and granted a security interest to the Trustee in all of the Authority's rights, title and interest under the Pledge Agreement accruing to or vested in the Authority (except for the Authority's rights to payment of its fees and expenses and the Authority's right to indemnification in certain circumstances and as otherwise expressly set forth in the Pledge Agreement) as security for the Bonds, and such rights, title and interest may be exercised, protected and enforced for or on behalf of the owners of the Bonds in conformity with the Pledge Agreement and the Indenture. The Trustee is given by the Pledge Agreement the right to enforce, as assignee of the Authority, the performance of the obligations of the Board and the University under the Pledge Agreement, and the Board and the University consent to the same and agree that the Trustee may enforce such rights as provided in the Pledge Agreement and in the Indenture. The parties to the Pledge Agreement recognize that the Trustee is a third party creditor-beneficiary of the Pledge Agreement.

Use of Bond Proceeds

The proceeds of the Bonds shall be deposited with the Trustee and shall be administered, disbursed and applied for the purposes and in the manner as provided in the Indenture and in the Pledge Agreement.

Application of Moneys in the Project Fund; Completion of the Project

Moneys in the Project Fund shall be used by the University for the sole purpose of paying the Costs of the Project in accordance with the provisions of the Act.

The University shall cause the Project to be diligently and continuously pursued and to be completed with reasonable dispatch and to provide (from its own funds if required) all moneys necessary to complete the Project substantially in accordance with the plans and specifications for the Project. The University shall comply with all of the provisions and shall perform all obligations of the University set forth in the Indenture with respect to the completion of the Project.

If the proceeds derived from the sale of the Bonds issued for such purpose are not sufficient to pay in full the Costs of the Project, the University shall pay so much of the cost thereof as may be in excess of the proceeds of the Bonds and any investment income thereon available therefor. The University agrees that if, after exhaustion of the proceeds of the Bonds and investment income thereon, the University should pay any portion of the Costs of the Project pursuant to the provisions of the Pledge Agreement, it shall not be entitled to any reimbursement therefor from the Authority or the Trustee nor shall it be entitled to any abatement, diminution or postponement of its payments under the Pledge Agreement.

In addition, the University agrees to pay the costs of issuing the Bonds that are not being paid with the proceeds of the sale of the Bonds either by paying any or all of such costs directly or by depositing the same with the Trustee. Any moneys so deposited with the Trustee shall be disbursed by the Trustee in accordance with written instructions from the Authority.

The completion of the Project shall be evidenced to the Trustee by an Officer's Certificate in the form set forth in the Indenture, delivered to the Trustee within **90** days of the date of completion of the Project pursuant to the Indenture.

Changes or Amendments to the Project

The University may make, authorize or permit such changes or amendments in the Project as it may reasonably determine to be necessary or desirable to accomplish the purposes of the University; provided,

however, that no such change or amendment shall be made to the Project that would cause a material change in the cost, scope, nature, or function of the Project, unless the University shall file with the Trustee:

- (a) an Officer's Certificate to the effect that (1) the Project will, after such change or amendment, continue to constitute "educational facilities" within the meaning of the Act, (2) such change or amendment will not result in any property of the Board or the University being used for any purpose prohibited by the Pledge Agreement or otherwise result in the Board or the University failing to comply with any provisions of the Pledge Agreement, or materially adversely affect the Revenues, or violate or conflict with the terms of any applicable approvals of the State; and
- (b) either (1) an Opinion of Bond Counsel addressed to the Trustee and the Authority to the effect that (A) such change or amendment will not adversely affect the exclusion of the interest on the Series 2010P-1 Bonds from gross income for purposes of federal income taxation, and (B) such change or amendment will not cause the average maturity of the Series 2010P-1 Bonds to exceed **120%** of the average reasonably expected economic life of the facilities financed or refinanced with proceeds of the Series 2010P-1 Bonds, or (2) an Officer's Certificate to the effect that the University expects to be able to shorten the average maturity of the Series 2010P-1 Bonds to not exceed **120%** of the average reasonably expected economic life of the facilities financed or refinanced with proceeds of the Series 2010P-1 Bonds, as recalculated in accordance with the provisions of the Internal Revenue Code, through the deposit to the Debt Service Fund as described in the Pledge Agreement.

If any change or amendment to the Project would cause a material change in the cost, scope, nature or function of the Project as described in paragraph (a) above, the University at the completion of the Project shall recalculate the average reasonably expected economic life of the portion of the Project financed or refinanced with proceeds of the Series 2010P-1 Bonds, as so changed or amended. If any such recalculation demonstrates that the average maturity of the Series 2010P-1 Bonds exceeds **120%** of the average reasonably expected economic life of the facilities financed or refinanced with proceeds of such Bonds, the University shall take whatever action is sufficient, based on the Opinion of Bond Counsel addressed to the Trustee and the Authority, to maintain the exclusion of interest on the Series 2010P-1 Bonds from gross income for federal income tax purposes.

Enforcement of Contracts and Surety Bonds

In the event of a material default of any contractor or subcontractor under any Construction Contract or any other contract made in connection with the Project, or in the event of a material breach of warranty with respect to any materials, workmanship or performance, the University will promptly proceed, either separately or in conjunction with others, to pursue diligently the remedies of the University against the contractor or subcontractor in default and against any surety on a bond securing the performance of such contract. Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing, after deduction of expenses incurred in such recovery and after reimbursement to the University of any amounts theretofore paid by the University and not previously reimbursed to the University for correcting or remedying of the default which gave rise to the proceedings against the contractor, subcontractor or surety, shall be paid into the Project Fund if received before the Completion Date, and otherwise shall be deposited in the applicable Interest Account of the Debt Service Fund and applied as provided in the Indenture.

Maintenance and Use of the Project

The Board and the University shall, during the term of the Bonds, cause the Project financed with the proceeds of the Bonds to be maintained, preserved and kept in good repair and working order and condition and in as safe condition as its operations will permit and will make all repairs, renewals, replacements and

improvements thereof necessary for the efficient and advantageous conduct of its business and operations and shall, during the term of the Bonds, operate the facilities financed by the Bonds, as educational facilities within the meaning of the Act. Nothing in the Pledge Agreement shall obligate the Board or the University to preserve, repair, renew or replace any portion of the Project no longer used or no longer useful in the conduct of its business or prevent the Board or the University from discontinuing the operation of any portion of the Project or from removing or demolishing any building or buildings, if in its judgment (evidenced, in the case of such a cessation other than in the ordinary course of business, by a determination by its governing board) such discontinuance is desirable in the conduct of its business and not disadvantageous in any material respect to the owners of the Bonds. The Board and the University may make additions, alterations and changes to the Project so long as such additions, alterations and changes are made in compliance with the provisions of the Pledge Agreement and will not result in a violation of the provisions of the Pledge Agreement, and the Board and the University may dispose of any portion of the Project as permitted by the Pledge Agreement.

Subject to the provisions of the Pledge Agreement, the Board and the University shall have the right to use the Project for any purpose allowed by law and contemplated by the Act. Except as provided in the Pledge Agreement, the Authority reserves no power or authority with respect to the operation of the Project by the Board and the University and activities incident thereto, it being the intention of the parties to the Pledge Agreement that so long as the Board and the University shall duly and faithfully observe and perform all of the terms, covenants, provisions and agreements of the Pledge Agreement, the Board and the University shall manage, administer and govern the Project in its activities and affairs on a continuing day-to-day basis.

Compliance With Laws and Regulations

The Board and the University shall conduct their affairs and carry on their business and operations in such manner as to comply with any and all applicable laws of the United States of America and the several states thereof and to observe and conform to all valid orders, regulations or requirements of any governmental authority applicable to the conduct of its business and operations and the ownership of its property; provided, however, that nothing contained in the Pledge Agreement shall require the Board or the University to comply with, observe and conform to any such law, order, regulation or requirement of any governmental authority so long as the validity thereof shall be contested by the Board or the University in good faith by appropriate proceedings and such contest shall not materially impair the generation of Revenues or the ability of the Board or the University to meet their obligations under the Pledge Agreement.

Liens and Encumbrances

Each of the Board and the University covenant that it will not create or incur or permit to be created or incurred or to exist any lien, security interest, charge or encumbrance upon the Revenues as pledged under the Pledge Agreement and the Indenture except the pledge, lien and charge for the security of the Bonds and Additional Indebtedness, and shall promptly discharge or terminate all such other liens, security interests, charges and encumbrances on the Revenues.

No Impairments

Each of the Board and the University covenant that no contract or contracts will be entered into or any action taken by the Board or the University that would materially adversely affect the Revenues or by which the rights of the Authority under the Pledge Agreement or the rights of the owners under the Indenture of the Bonds might be impaired or diminished. Each of the Board and the University covenant that none of the Revenues will be used for any purpose other than as provided in the Pledge Agreement and the Indenture, and no contract or contracts will be entered into or any action taken by it which shall be inconsistent with the provisions of the Pledge Agreement.

Licenses and Permits

The Board and the University shall procure and maintain all licenses and permits necessary or desirable in the operation of their business, programs and facilities; provided, however, that the Board and the University shall not be required to procure or maintain in effect any permit or license that the Board or the University shall have determined in good faith, is not in the best interests of the Board or the University and is no longer desirable in the conduct of its business and the lack of which will not materially impair the ability of the Board or the University to pay or perform its obligations under the Pledge Agreement.

Insurance

The Board or the University shall maintain or cause to be maintained insurance, which may include self-insurance, with respect to the Project and its operations, covering such risks that are of an insurable nature and of the character customarily insured against by organizations operating similar properties and engaged in similar operations (including but not limited to property and casualty, worker's compensation, general liability and employee dishonesty) and in such amounts as, in its judgment, are adequate to protect the Board, the University and the Project and its operations. All such insurance (other than self-insurance) shall be maintained with responsible insurance carriers. Any policy or other contract for such insurance shall contain an agreement by the insurer that, notwithstanding any right of cancellation reserved to such insurer, such policy or contract shall continue in force for at least **10** days after written notice of cancellation to the Board or the University and each other insured, additional insured, loss payee and mortgage payee named therein.

Damage, Destruction and Condemnation

In the event of damage to or destruction of the Project resulting from fire or other casualty, or in the event the Project is condemned or taken for any public or quasi-public use or title thereto is found to be deficient, the Net Proceeds of any insurance relating to such damage or destruction, the Net Proceeds of such condemnation or taking or the Net Proceeds of any realization on title insurance shall be paid directly to the University, and the University agrees to promptly notify the Authority and the Trustee of such event. The University agrees that the University shall use all or part of such Net Proceeds to replace, repair, reconstruct or restore the Project. The University shall proceed forthwith to replace, repair, reconstruct or restore the affected portion of the Project to substantially the same condition or utility value as existed prior to the event affecting the Project and will apply the Net Proceeds received by the University to the payment or reimbursement of the costs of such replacement, repair, reconstruction or restoration. The University shall complete the replacement, repair, reconstruction or restoration of the Project, whether or not such Net Proceeds received by the University for such purposes are sufficient to pay for the same.

Records and Accounts

The University will keep or cause to be kept for each fiscal year accurate financial records and accounts, separate and apart from all other records and accounts, of the Revenues received and the application of such Revenues. Such records and accounts shall be open to the inspection of the Authority, the Trustee, the Original Purchaser and to the owners of any Bonds then Outstanding and such Person's agents and representatives during normal business hours for the University. The University further covenants that, not later than **190** days after the close of each fiscal year, it will make available to the Authority, upon request of the Authority, a financial report for such fiscal year, prepared in the format approved by the University, reflecting in reasonable detail the Revenues for such fiscal year, the status of the Funds and Accounts established pursuant to the Indenture and all insurance then in force with respect to the Project.

Tax Covenants

Each of the Board and the University covenant and agree that it will not take any action or permit any action to be taken that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Tax-Exempt Bonds or would adversely affect the Authority's right to receive BAB Interest Subsidy Payments with respect to each payment of interest on the Bonds eligible to receive BAB Interest Subsidy Payments and will take whatever action, or refrain from whatever action, necessary to comply with the requirements of the Internal Revenue Code (including consulting with the Authority regarding any proposed private use of activity) to maintain the exclusion from gross income for federal income tax purposes of the interest on the Tax-Exempt Bonds and the eligibility of the Authority to receive BAB Interest Subsidy Payments with respect to each payment of interest on the Bonds eligible to receive BAB Interest Subsidy Payments, and the Board shall comply with the Federal Tax Certificates (defined in the Indenture) and will pay or provide for payment to the United States Government or the Trustee, all rebate payments required under Section 148(f) of the Internal Revenue Code and the Federal Tax Certificates, to the extent such amounts are not available to the Trustee in the Rebate Fund held under the Indenture. This covenant shall survive payment in full or defeasance of the Tax-Exempt Bonds.

In the event that, as a direct result of any negligent or willful act of the Authority as a corporate entity or any failure of the Authority as a corporate entity to make timely payment of a financial obligation which is solely the responsibility of the Authority to the United States Department of the Treasury or the Internal Revenue Service, all or any portion of any BAB Interest Subsidy Payment with respect to the Bonds is not made available to the Authority, the Authority covenants and agrees that the University and the Board will be held harmless with respect to any payment of interest on the Bonds that otherwise would have been eligible for payment based on eligibility for and receipt of any such BAB Interest Subsidy Payment; provided that the foregoing covenant shall not apply in connection with acts or failures to act by others, including the State or any other public or private entity for which the Authority acts as conduit bond issuer, that result in all or any portion of any BAB Interest Subsidy Payment with respect to the Bonds not being made available to the Authority.

Continuing Disclosure

The University shall comply with all of the continuing disclosure obligations set forth in the Continuing Disclosure Agreement, and any successor continuing disclosure agreement. The University acknowledges that it has undertaken all responsibility for compliance with continuing disclosure requirements with respect to S.E.C. Rule 15c2-12, and that the Authority shall have no liability to the owners of the Bonds or any other person with respect to such requirements. Notwithstanding any other provision of the Pledge Agreement, failure of the University to comply with the Continuing Disclosure Agreement shall not be considered an event of default under the Pledge Agreement; however, the dissemination agent thereunder may (and, at the request of any Participating Underwriter or the owners of at least **25%** aggregate principal amount in Outstanding Bonds, shall) or any bondowner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the University to comply with its obligations under the Pledge Agreement.

Notice to Trustee of Certain Events

If, at any time during the term of the Pledge Agreement, the University changes its form of organization, changes its name, or takes any other action which could affect the proper location for filing of Uniform Commercial Code financing statements or continuation statements, or which could render existing filings seriously misleading or invalid, the University shall immediately provide written notice of such change to the Authority and the Trustee and thereafter promptly deliver to the Authority or the Trustee such additional information or documentation regarding such change as the Authority or the Trustee respectively may

reasonably request for the purpose of amendment and/or refiling, at the expense of the University, as may be reasonably determined to be necessary by the Authority or the Trustee and their respective attorneys.

Additional Bonds

The Authority from time to time may, in its sole discretion, at the written request of the Board, authorize the issuance of Additional Bonds for the purposes and upon the terms and conditions provided in the Indenture; provided that (1) the terms of such Additional Bonds, the purchase price to be paid therefor and the manner in which the proceeds thereof are to be disbursed shall have been approved by resolutions adopted by the Authority and the Board; (2) the Authority, the Board and the University shall have entered into a Supplemental Pledge Agreement to acknowledge that the provisions of the Pledge Agreement are revised to the extent necessary to provide for the payment of the principal of, redemption premium, if any, and interest on the Additional Bonds and to extend the term of the Pledge Agreement if the maturity of any of the Additional Bonds would otherwise occur after the expiration of the term of the Pledge Agreement; and (3) the Authority and the Board shall have otherwise complied with the provisions of the Pledge Agreement and the Indenture with respect to the issuance of such Additional Bonds.

Additional Indebtedness

The Board and the University may issue or incur Additional Indebtedness secured by the Revenues if prior to the issuance and delivery of any Additional Indebtedness, and as a condition precedent thereto, the following documents and showings shall be executed and delivered to the Trustee:

- (a) A loan agreement or other debt instrument, executed by the Board and the lender, specifying, among other things, the principal amount, rate of interest, maturity, terms of optional prepayment, if any, and form of any Additional Indebtedness.
- (b) An Officer's Certificate (1) stating that no Event of Default under the Indenture has occurred and is continuing and that no event has occurred and is continuing which with the lapse of time or giving of notice, or both, would constitute such an event of default, and (2) stating the purpose or purposes for which such Additional Indebtedness is being issued and the classification of the Indebtedness under the Pledge Agreement and accompanied by the certificates, reports or opinions demonstrating compliance with the applicable tests set forth in the Pledge Agreement.
- (c) Such other certificates, title insurance policies, endorsements or reports, financing statements, financial statements and opinions as the Trustee may reasonably request.

Any Additional Indebtedness issued pursuant to the Pledge Agreement will constitute Subordinated Indebtedness, and any Additional Indebtedness issued pursuant to the Pledge Agreement will constitute Parity Indebtedness unless such Additional Indebtedness is designated by the Board or the University as Subordinated Indebtedness.

Parity Indebtedness shall have a security interest in the Revenues standing on a parity with the security interest granted to the Authority by the Pledge Agreement, provided that any security interest in any or all of the Revenues granted to secure such Parity Indebtedness provides that all amounts realized from such security interest shall be paid to the Trustee for deposit in the Revenue Fund for disposition in accordance with the Indenture. The owners of such Parity Indebtedness shall not have a security interest in or other rights to or be entitled to share on a parity with the owners of the Parity Bonds in the Debt Service Fund or the Debt Service Reserve Fund. Such Parity Indebtedness may be further secured in any manner not inconsistent with the provisions and intent of the Indenture or the Pledge Agreement. Any Parity Indebtedness that provides for the payment of interest on a semi-annual basis shall have interest payment dates on March 1 and September 1. Scheduled principal payments on any Parity Indebtedness shall occur on September 1.

In the event that the Board or the University shall propose to secure any such Parity Indebtedness by a pledge, lien, mortgage or other security interest as described above, the Authority, the Trustee and the Board shall take, or shall cause to be taken, such actions (including entering into a Supplemental Pledge Agreement or Supplemental Indenture) and execute, deliver, file and record such instruments of security as their respective counsel agree to be necessary or appropriate to grant to and/or otherwise secure for the owner or owners of the Parity Indebtedness, equivalent to that of the Trustee, and the Board and the University shall as a condition of securing such Parity Indebtedness execute, deliver, file and record, and cause to be executed, delivered, filed and recorded by such owner or owners, such documents as counsel for the Trustee, the Board and the University agree to be necessary or appropriate to grant to and/or otherwise secure for the Trustee a pledge of and a security interest in any security granted to the owner or owners of the Parity Indebtedness and not theretofore granted to the Trustee equivalent to the interest granted to such owner or owners of such Parity Indebtedness, to the end that all such outstanding secured Parity Indebtedness and all outstanding Parity Bonds shall be of equal rank and be entitled to share *pari passu* in such security.

Any default under any instrument or agreement providing for repayment of any Parity Indebtedness secured on a parity with the Parity Bonds as provided in the Pledge Agreement shall be a default under the Pledge Agreement and there shall be included in any instrument or agreement providing for repayment of such Parity Indebtedness a provision that any default under the Pledge Agreement shall be a default under such instrument or agreement. Any action which cures a default under any such instrument or agreement shall also cure such default under the Pledge Agreement. Unless otherwise agreed to by the Trustee, the Trustee shall act as trustee under any instrument securing any such Parity Indebtedness. Any instrument or agreement providing for repayment of such Parity Indebtedness shall include a provision that, prior to exercising any remedies upon a default by the Board or the University under such instrument or agreement, the Trustee (or the owners thereof, if the Trustee otherwise consents) shall consider the interests of the owners of the Parity Indebtedness and the Bonds and shall proceed such that the interests of such owner or owners of the Parity Indebtedness and the bondowners shall be equally protected.

Permitted Indebtedness

Neither the Board or the University shall incur any Indebtedness secured by the Revenues, other than the following Indebtedness:

- (a) *Long-Term Indebtedness.* The Board or the University may incur Long-Term Indebtedness if prior to incurrence thereof or, if such Long-Term Indebtedness was incurred in accordance with the Pledge Agreement and the Board or the University desire to have such Indebtedness reclassified as having been issued under this paragraph (a), prior to such reclassification, there is delivered to the Trustee the following:
 - (1) (A) an Officer's Certificate demonstrating that the aggregate Revenues deposited in the Revenue Fund during any 12 consecutive months occurring during the 24 month period ending on the date of such Officer's Certificate are equal to or greater than **135%** of Maximum Annual Debt Service for all Parity Bonds and Parity Indebtedness for the then current or any succeeding fiscal year, after giving effect to the incurrence of such Long-Term Indebtedness; provided, that for the two-year period commencing on the date of issuance of the Series 2010P Bonds, KUMC Clinical Research Center Sales Tax Revenues *actually received* by the University may be substituted for aggregate Revenues deposited in the Revenue Fund; or
 - (B) in the event that collection of an Additional Sales Tax commenced during the 18-month period ending on the date of such Officer's Certificate, an

Officer's Certificate demonstrating that the aggregate Revenues deposited in the Revenue Fund during any 12 consecutive months occurring during the 24-month period ending on the date of such Officer's Certificate, after giving effect to revenues from the Additional Sales Tax that would have been deposited in the Revenue Fund during such period if such Additional Sales Tax had been in effect at all times during such period, are equal to or greater than **140%** of Maximum Annual Debt Service for all Parity Bonds and Parity Indebtedness for the then current or any succeeding fiscal year, after giving effect to the incurrence of such Long-Term Indebtedness; and

- (2) In the event such Long-Term Indebtedness is issued as Variable Rate Bonds or Additional Indebtedness bearing interest at a variable rate and an accelerated repayment of the principal of such Indebtedness is required in the event of a failure to remarket such Long-Term Indebtedness or a similar market or credit failure in connection therewith by the Supplemental Indenture or other document pursuant to which such Long-Term Indebtedness is authorized and issued, or would be required by a related Qualified Liquidity Facility or Qualified Credit Facility in the event that the provider of such facility became the owner of such Indebtedness following such event, an Officer's Certificate demonstrating that the aggregate Revenues deposited in the Revenue Fund during any 12 consecutive months occurring during the 24 month period ending on the date of such Officer's Certificate are equal to or greater than **112.5%** of Maximum Annual Debt Service for all Parity Bonds and Parity Indebtedness for the then current or any succeeding fiscal year, after giving effect to the incurrence of such Long-Term Indebtedness and taking into account the accelerated repayment of principal contemplated by such documents.
- (b) *Commitment Indebtedness.* The Board or the University may incur Commitment Indebtedness without limit, if the Indebtedness supported by such Commitment Indebtedness was incurred in accordance with one of the provisions of the Pledge Agreement.
- (c) *Completion Indebtedness.* The Board or the University may incur Completion Indebtedness in a principal amount not in excess of **10%** of the principal amount of the original Long-Term Indebtedness incurred for such facilities, if prior to the incurrence thereof there is delivered to the Trustee an Officer's Certificate stating: (1) that at the time the original Long-Term Indebtedness for the facilities to be completed was incurred, the Board or the University had reason to believe that the proceeds of such Indebtedness together with other moneys then expected to be available would provide sufficient moneys for the completion of such facilities; (2) the amount estimated to be needed to so complete the facilities; and (3) that the proceeds of such Completion Indebtedness to be applied to the completion of the facilities, together with a reasonable estimate of investment income to be earned on such proceeds and available to pay such costs, the amount of moneys, if any, committed to such completion from available cash or marketable securities and reasonably estimated earnings thereon, enumerated bank loans (including letters or lines of credit) and any other moneys reasonably expected to be available, will be in an amount not less than the estimated amount needed to complete the facilities set forth in such Officer's Certificate.
- (d) *Refunding Indebtedness.* The Board and the University may incur Refunding Indebtedness for the purpose of refunding (whether in advance of maturity or otherwise) any Outstanding Long-Term Indebtedness, if the Board or the University determines that such refunding is in the best interest of the Board and the University and that, taking into account the issuance of the proposed Refunding Indebtedness and the application of the proceeds thereof and any other funds available to be applied to such refunding, the annual Debt Service Requirements

of such Refunding Indebtedness does not exceed the annual Debt Service Requirements of the Outstanding Long-Term Indebtedness being refunded in any year.

- (e) *Short-Term Indebtedness.* The Board and the University may incur Short-Term Indebtedness if, immediately after the incurrence of such Short-Term Indebtedness, the total principal amount of Outstanding Short-Term Indebtedness does not exceed **15%** of the aggregate Revenues deposited in the Revenue Fund during the 12-month period ending on the date such Short-Term Indebtedness is incurred. Short-Term Indebtedness may also be incurred if such Short-Term Indebtedness could be incurred under paragraph (a) above when it was assumed that such Short-Term Indebtedness is Long-Term Indebtedness.
- (f) *Interim Indebtedness.* The Board or the University may incur Interim Indebtedness if (1) there is delivered to the Authority a written statement of a Consultant to the effect that it is such Consultant's opinion that it is reasonable to assume that the Board or the University will be able to refinance such Interim Indebtedness prior to its maturity date in compliance with the provisions of the Pledge Agreement and (2) the conditions described in paragraph (a) above are met with respect to such Interim Indebtedness when it is assumed that such Interim Indebtedness is Long-Term Indebtedness maturing over **25** years (or such shorter period as such Consultant indicates is reasonable to assume in such statement) from the date of issuance of the Interim Indebtedness, bears interest on the unpaid principal balance at the rate equal to the rate set forth in the **25**-year Bond Buyer Revenue Bond Index most recently published in *The Bond Buyer* (or if *The Bond Buyer* or such index is no longer published, any other published similar index as is determined by the Authority in its sole discretion to be appropriate) plus **50** basis points, and is payable on a level debt service basis over a **25**-year period (or such shorter period as such Consultant indicates is reasonable to assume in such statement).
- (g) *Subordinated Indebtedness.* The Board or the University may incur Subordinated Indebtedness without limit as to principal amount, provided such Indebtedness is evidenced by an instrument containing provisions for the subordination of such Indebtedness (to which appropriate reference shall be made in the instrument evidencing such Indebtedness) to the Parity Bonds and any Parity Indebtedness with respect to payment out of the Trust Estate, so that if at any time the Board shall be in default in paying either interest on or principal of the Parity Bonds and any Parity Indebtedness or if the Board or the University shall be in default in making any payments required to be made under the provisions of the Pledge Agreement, neither the Board or the University shall make no payments of either principal of or interest on said Subordinated Indebtedness until said default or defaults be cured.

Indebtedness may be classified and incurred under any of the above-referenced subsections with respect to which the tests set forth in such subsections are met. The Board or the University may elect to have Indebtedness that was classified and issued pursuant to one provision of this section, reclassified as having been incurred under another provision of this section, by demonstrating compliance with such other provision on the assumption that such Indebtedness is being reissued on the date of delivery of the materials required to be delivered under such other provision. From and after such demonstration, such Indebtedness shall be deemed to have been incurred under the provision with respect to which such compliance has been demonstrated until any subsequent reclassification of such Indebtedness.

The Board or the University shall, prior to the incurrence of any Indebtedness, deliver to the Trustee an Officer's Certificate which identifies the Indebtedness to be incurred, identifies the subsection of this section pursuant to which such Indebtedness was incurred, demonstrates compliance with the provisions of such subsection and attaches a copy of the instrument evidencing such Indebtedness.

Calculation of Debt Service Requirements

For purposes of the various calculations under the Pledge Agreement, the amount of Long-Term Indebtedness, the amortization schedule of such Indebtedness and the Debt Service Requirements with respect to such Indebtedness shall be calculated in accordance with the actual amortization schedule for such Indebtedness, except as follows:

- (a) *Balloon Indebtedness.* The Debt Service Requirements on Balloon Indebtedness may be deemed to be payable as follows:
 - (1) If the Board or the University has incurred and there is in effect at the time any such Indebtedness is incurred Commitment Indebtedness to provide refinancing sufficient to pay the principal amount of any such Balloon Indebtedness becoming due in each fiscal year in which 25% or more of the original principal amount of such Balloon Indebtedness comes due, such Indebtedness may be deemed to be payable in accordance with the terms of such Commitment Indebtedness; or
 - (2) If the Board or the University delivers an Officer's Certificate to the Trustee that establishes an amortization schedule for any such Indebtedness, which provides for payments of principal and interest for each fiscal year that are sufficient to make any actual payments required to be made in such fiscal year by the terms of such Indebtedness; and the Board or the University agrees in such Officer's Certificate that it will deposit for each fiscal year with a bank or trust company (pursuant to an agreement between the Board or the University and such bank or trust company, which agreement shall be satisfactory in form and substance to the Trustee) the amount of principal shown on such amortization schedule net of any amount of principal actually paid on such Indebtedness during such fiscal year (other than from amounts on deposit with such bank or trust company), which deposit shall be made prior to any such required actual payment during such fiscal year if the amounts so on deposit are intended to be the source of such actual payments, then such Indebtedness may be deemed to be payable in accordance with the terms of such amortization schedule and agreement; or
 - (3) Such Indebtedness, in a principal amount not in excess of **15%** of the outstanding Indebtedness, may be deemed to be Long-Term Indebtedness payable on a level annual debt service basis over **25** years (or such other period as set forth and deemed reasonable in a written report of a Consultant) from the date of issuance or incurrence of such Indebtedness, bearing interest on the unpaid principal balance at the rate equal to the rate set forth in the **25**-year Bond Buyer Revenue Bond Index most recently published in *The Bond Buyer* (or if *The Bond Buyer* or such index is no longer published, any other published similar index as is determined by the Authority in its sole discretion to be appropriate) plus **50** basis points.
- (b) *Capital Appreciation Indebtedness.* The principal amount of Indebtedness that constitutes "capital appreciation indebtedness" (defined below) shall be deemed to be the "accreted value" (defined below) thereof as of the relevant date. "Capital appreciation indebtedness" means any Long-Term Indebtedness for which interest is payable only at the maturity of such Indebtedness, upon the redemption of such Indebtedness before maturity, or upon the conversion of such Indebtedness to Indebtedness with interest payable periodically in

installments prior to maturity or prior to redemption before maturity. "Accreted value" means with respect to any capital appreciation indebtedness (a) as of any "valuation date" (defined below), the amount set forth in the Supplemental Pledge Agreement authorizing such Indebtedness or in the related Supplemental Indenture (or other document authorizing such Indebtedness) as the value of such Indebtedness on such valuation date and (b) as of any date other than a valuation date the sum of (i) the accreted value on the next preceding valuation date and (ii) the product of (A) a fraction, the numerator of which is the number of days having elapsed from the preceding valuation date and the denominator of which is the number of days from such preceding valuation date to the next succeeding valuation date and (B) the difference between the accreted values for such valuation dates. "Valuation date" means with respect to any capital appreciation indebtedness the date or dates set forth in the Supplemental Pledge Agreement relating to such Indebtedness or the related Supplemental Indenture (or other document authorizing such Indebtedness) on which specific accreted values are assigned to the capital appreciation indebtedness.

- (c) *Capital Leases.* The principal amount of Indebtedness in the form of a "capital lease" (defined below) shall be deemed to be the amount, as of the date of determination, at which the aggregate "net rentals" (defined below) due and to become due under such capital lease would be reflected as a liability on the balance sheet of the lessee, and the Debt Service Requirements on a capital lease for the period of time for which calculated shall be deemed to be the aggregate amount of net rentals to be payable under such capital lease during such period. "Capital lease" means any lease of real or personal property that is capitalized on the balance sheet of the lessee under generally accepted accounting principles. "Net rentals" means all fixed rents (including as such all payments which the lessee is obligated to make to the lessor on termination of the lease or surrender of the property other than upon termination of the lease for a default thereunder) payable under such lease excluding any amounts required to be paid by the lessee (whether or not designated as rents or additional rents) on account of maintenance, repairs, insurance, taxes and similar charges. Net rentals for any future period under any so-called "percentage lease" shall be computed on the basis of the amount reasonably estimated to be payable thereunder for such period, but in any event not less than the amount paid or payable thereunder during the immediately preceding period of the same duration as such future period; provided that the amount estimated to be payable under any such percentage lease shall in all cases recognize any change in the applicable percentage called for by the terms of such lease.
- (d) *Commitment Indebtedness.* No debt service shall be deemed payable with respect to Commitment Indebtedness until such time as the obligation to make payments under the commitment actually rises (and only to the extent of advances actually made under such Commitment Indebtedness) except as provided in the Pledge Agreement. From and after such funding, the amount of such debt service shall be calculated in accordance with the actual amount required to be repaid on such Commitment Indebtedness and the actual interest rate and amortization schedule applicable thereto. No Indebtedness shall be deemed to arise when any funding occurs under any such commitment if such funding is immediately repaid and such commitment is reinstated in accordance with its terms, or when any such commitment is renewed upon terms which provide for substantially the same terms of repayment of amounts disbursed pursuant to such commitment as existed prior to such renewal.
- (e) *Long-Term Indebtedness Supported By Commitment Indebtedness.* The Debt Service Requirements on Long-Term Indebtedness with respect to which the Board has incurred Commitment Indebtedness that would refinance such Indebtedness for a period extending

beyond its original maturity date, may be deemed to be payable in accordance with the terms of such Commitment Indebtedness.

- (f) *Variable Rate Indebtedness; Qualified Swap Agreements.* In determining Debt Service Requirements on Variable Rate Bonds or Additional Indebtedness bearing interest at a variable rate, the rate of interest on such Indebtedness for any period prior to the date of calculation or for which the interest rate has been determined shall be the actual interest rate payable during such period, and the rate of interest on such Indebtedness for any period for which the actual interest rate cannot be determined shall be the Assumed Variable Interest Rate; *provided*, however, if the Authority or the Board enters into a Qualified Swap Agreement with a Swap Provider requiring the Authority or the Board to pay a fixed interest rate on a notional amount, and has determined that such Qualified Swap Agreement was entered into for the purpose of providing substitute interest payments for a particular maturity of Bonds or other Indebtedness in a principal amount equal to the notional amount of the Qualified Swap Agreement, then during the term of such Qualified Swap Agreement and so long as the Swap Provider under such Qualified Swap Agreement is not in default under such Qualified Swap Agreement, the interest rate on such Bonds or other Indebtedness shall be determined as if such Bonds or other Indebtedness bore interest at the interest rate payable by the Authority or the Board under such Qualified Swap Agreement plus **25** basis points.

Acceleration of Maturity of Additional Indebtedness; Rescission and Annulment

If an event of default under the Pledge Agreement occurs and is continuing, the Trustee, as assignee of the Authority, may, and if requested by the Authority or the owners of not less than **25%** in principal amount of the Bonds Outstanding shall, by written notice to the Board, the University and the Authority, declare the principal of any Additional Indebtedness and the interest accrued thereon to be due and payable, and upon any such declaration such principal and interest shall become immediately due and payable.

At any time after such a declaration of acceleration has been made, but before any judgment or decree for payment of money due on the Additional Indebtedness has been obtained, the Trustee may, by written notice to the Board and the University, rescind and annul such declaration and its consequences if:

- (a) the Board or the University has provided for the payment of:
- (1) all overdue installments of interest on the Additional Indebtedness;
 - (2) the principal of (and premium, if any, on) the Additional Indebtedness that has become due otherwise than by such declaration of acceleration and interest thereon at the rate prescribed therefore;
 - (3) all sums paid or advanced by the Trustee under the Pledge Agreement and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel plus interest on any advances at the Prime Rate; and
- (b) all events of default, other than the non-payment of the principal installments of the Additional Indebtedness that have become due solely by such declaration of acceleration, have been cured or have been waived as provided in the Pledge Agreement.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

Exercise of Remedies by the Trustee

Upon the occurrence and continuance of any event of default under the Pledge Agreement, unless the same is waived as provided in the Pledge Agreement, the Trustee, as assignee of the Authority, shall have the following rights and remedies, in addition to any other rights and remedies provided under the Pledge Agreement or by law:

- (a) *Right to Bring Suit, Etc.* The Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to realize on or foreclose any of its interest or liens under the Pledge Agreement, to enforce and compel the performance of the duties and obligations of the Board or the University as set forth in the Pledge Agreement or any Additional Indebtedness and to enforce or preserve any other rights or interests of the Trustee under the Pledge Agreement existing at law or in equity.
- (b) *Exercise of Remedies at Direction of Bondowners.* If requested in writing to do so by the owners of not less than **25%** in principal amount of Bonds Outstanding and if indemnified as provided in the Indenture, the Trustee shall be obligated to exercise such one or more of the rights and remedies conferred by the Pledge Agreement as the Trustee shall deem most expedient in the interests of the bondowners.
- (c) *Appointment of Receiver.* Upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee under the Pledge Agreement, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the property subject to the lien and security interest of the Pledge Agreement pending such proceedings, with such powers as the court making such appointment shall confer.
- (d) *Restoration of Positions.* If the Trustee has instituted any proceeding to enforce any right or remedy under the Pledge Agreement by suit, foreclosure, the appointment of a receiver, or otherwise, and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, then and in every case the Authority, the Board, the University, the Trustee and the bondowners shall, subject to any determination in such proceeding, be restored to their former positions and rights under the Pledge Agreement, and thereafter all rights and remedies of the Trustee shall continue as though no such proceeding had been instituted.

Application of Moneys Collected

Any moneys collected by the Trustee pursuant to the Pledge Agreement (after the deductions for payment of costs and expenses of proceedings resulting in the collection of such moneys) together with any other sums then held by the Trustee as part of the Trust Estate, shall be applied as provided in the Indenture.

Rights and Remedies Cumulative

No right or remedy in the Pledge Agreement conferred upon or reserved to the Trustee is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given under the Pledge Agreement now or thereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy under the Pledge Agreement, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Delay or Omission Not Waiver

No delay or omission of the Trustee to exercise any right or remedy accruing upon an event of default shall impair any such right or remedy or constitute a waiver of any such event of default or an acquiescence therein. Every right and remedy given by the Pledge Agreement or by law to the Trustee or to the Bondowners may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Waiver of Past Defaults

Before any judgment or decree for payment of money due has been obtained by the Trustee as provided in the Pledge Agreement, the owners of a majority in principal amount of the Bonds Outstanding may, by written notice delivered to the Trustee, the Board and the University, on behalf of the owners of all the Bonds waive any past default under the Pledge Agreement and its consequences, except a default

- (a) in the payment of the principal of (or premium, if any) or interest on any Bond, or
- (b) in respect of a covenant or provision of the Pledge Agreement which under the Pledge Agreement cannot be modified or amended without the consent of the owner of each Outstanding Bond affected.

Upon any such waiver, such default shall cease to exist, and any event of default arising therefrom shall be deemed to have been cured, for every purpose of the Pledge Agreement; but no such waiver shall extend to or affect any subsequent or other default or impair any right or remedy consequent thereon.

Advances by Trustee

If the Board or the University fails to make any payment or perform any of its covenants in the Pledge Agreement, the Trustee may, but shall in no case be required, at any time and from time to time, use and apply any moneys held by it under the Indenture, or make advances, to effect payment or performance of any such covenant on behalf of the Board or the University. All moneys so used or advanced by the Trustee, together with interest at the Prime Rate, shall be repaid by the Board or the University upon demand and such advances shall be secured under the Indenture prior to the Bonds. For the repayment of all such advances the Trustee shall have the right to use and apply any moneys at any time held by it under the Indenture but no such use of moneys or advance shall relieve the Board from any default under the Pledge Agreement.

Supplemental Pledge Agreements without Consent of Bondowners

Without the consent of the owners of any Bonds, the Authority, the Board and the University may from time to time enter into one or more Supplemental Pledge Agreements, for any of the following purposes:

- (a) to correct or amplify the description of any property of the Board or the University at any time subject to the Pledge Agreement, or to subject to the Pledge Agreement additional property or to more precisely identify any project financed or refinanced out of the proceeds of any Bonds, or to substitute or add additional property thereto;
- (b) to authorize the issuance of any Additional Bonds and provide for a pledge by the Board of Revenues in connection therewith and to make such other provisions as provided in the Pledge Agreement;

- (c) to modify or eliminate any of the terms of the Pledge Agreement; provided, however, that
 - (1) such Supplemental Pledge Agreement shall expressly provide that any such modifications or eliminations shall become effective only when there is no Bond Outstanding of any series created prior to the execution of such Supplemental Pledge Agreement; and
 - (2) the Trustee may, in its discretion, decline to approve any such Supplemental Pledge Agreement which, in its opinion, may not afford adequate protection to the Trustee when the same becomes operative;
- (d) to evidence the succession of another entity to the Board or the University and the assumption by any such successor of the covenants of the Board or the University contained in the Pledge Agreement;
- (e) to add to the covenants of the Board or the University or to the rights, powers and remedies of the Trustee for the benefit of the owners of all or any series of Bonds or to surrender any right or power in the Pledge Agreement conferred upon the Board or the University; or
- (f) to cure any ambiguity, to correct or supplement any provision in the Pledge Agreement which may be inconsistent with any other provision in the Pledge Agreement or to make any other changes, with respect to matters or questions arising under the Pledge Agreement, provided such action shall not materially adversely affect the interests of the owners of the Bonds (in making such determination, the Trustee may rely conclusively upon an Opinion of Counsel).

Supplemental Pledge Agreements with Consent of Bondowners

With the consent of the owners of not less than a majority in principal amount of the Bonds then Outstanding affected by such Supplemental Pledge Agreement, the Authority, the Board and the University may enter into Supplemental Pledge Agreements, in form satisfactory to the Trustee, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Pledge Agreement or of modifying in any manner the rights of the Trustee and the owners of the Bonds under the Pledge Agreement; provided, however, that no such Supplemental Pledge Agreement shall, without the consent of the owner of each Outstanding Bond affected thereby,

- (a) limit the pledge and assignment of the Revenues set forth in the Pledge Agreement or modify the requirement in the Pledge Agreement that all Revenues be deposited in the Revenue Fund;
- (b) reduce the percentage in principal amount of the Outstanding Bonds, the consent of whose owners is required for any such Supplemental Pledge Agreement, or the consent of whose owners is required for any waiver provided for in the Pledge Agreement of compliance with certain provisions of the Pledge Agreement or certain defaults under the Pledge Agreement and their consequences;
- (c) modify any of the provisions of the Pledge Agreement, except to increase any percentage provided thereby or to provide that certain other provisions of the Pledge Agreement cannot be modified or waived without the consent of the owner of each Bond affected thereby; or
- (d) permit the creation of any lien ranking prior to or on a parity with the lien of the Pledge Agreement with respect to any of the pledged property or terminate the lien of the Pledge

Agreement on any property at any time subject to the Pledge Agreement or deprive the owner of any Bond of the security afforded by the lien of the Pledge Agreement.

The Trustee may in its discretion determine whether or not any Bonds would be affected by any Supplemental Pledge Agreement and any such determination shall be conclusive upon the owners of all Bonds, whether theretofore or thereafter authenticated and delivered under the Pledge Agreement. The Trustee shall not be liable for any such determination made in good faith, and in making such determination may rely conclusively upon an Opinion of Counsel.

It shall not be necessary for the required percentage of owners of Bonds under the Pledge Agreement to approve the particular form of any proposed Supplemental Pledge Agreement, but it shall be sufficient if such act shall approve the substance thereof.

Effect of Supplemental Pledge Agreements

Upon the execution of any Supplemental Pledge Agreement under the Pledge Agreement, the Pledge Agreement shall be modified in accordance therewith and such Supplemental Pledge Agreement shall form a part of the Pledge Agreement for all purposes; and the Board, the University, the Authority, the Trustee and every owner of Bonds theretofore or thereafter authenticated and delivered under the Indenture shall be bound thereby.

Reference in Bonds to Supplemental Pledge Agreements

Bonds authenticated and delivered after the execution of any Supplemental Pledge Agreement pursuant to the Pledge Agreement may, and if required by the Trustee shall, bear a notation in form approved by the Trustee as to any matter provided for in such Supplemental Pledge Agreement. If the Authority shall so determine, new Bonds so modified as to conform, in the opinion of the Trustee and the Authority, to any such Supplemental Pledge Agreement may be prepared and executed by the Authority and authenticated and delivered by the Trustee in exchange for Outstanding Bonds.

Term of Pledge Agreement

The Pledge Agreement shall be effective concurrently with the initial issuance and delivery of the Series 2010P Bonds and shall continue in force and effect until the principal of, redemption premium, if any, and interest on all of the Bonds have been fully paid (or provision for their payment shall have been made in accordance with the Indenture) together with all sums to which the Authority and the Trustee are entitled from the Board under the Pledge Agreement; provided, however, the provisions of the Pledge Agreement related to indemnification of the Authority and the Trustee shall remain in full force and effect.

Covenants under Transaction Documents

The Board and the University shall deliver to the Trustee, in such quantities as may be reasonably requested by the Trustee, all reports, opinions and other documents required by the Indenture to be submitted to the Trustee at the times required by the Pledge Agreement and the Indenture and all other Transaction Documents and shall perform or cause to be performed all covenants and agreements required on the part of the Board or the University contained in the Pledge Agreement and the Indenture and any other Transaction Documents. The Pledge Agreement, all supplements to the Pledge Agreement and all other Transaction Documents shall be delivered to and held by the Trustee.

Provision of Annual Reports

- (a) The University shall, or shall cause the Dissemination Agent to, not later than **180** days after the end of the University's Fiscal Year, commencing with the year ending June 30, 2010, provide to the MSRB, through EMMA, updates as of the end of the Fiscal Year of certain financial information and sales tax data contained in the final Official Statement under the captions "HISTORICAL AND PROJECTED KUMC CLINICAL RESEARCH CENTER SALES TAX REVENUES" and "DEBT SERVICE REQUIREMENTS AND PROJECTED DEBT SERVICE COVERAGE RATIOS," in substantially the same format contained in the final Official Statement.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues with respect to which the University is an "*obligated person*" (as defined by the Rule), which have been provided to the MSRB or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the MSRB. The University shall clearly identify each such other document so included by reference.

In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in the Continuing Disclosure Agreement. If the University's Fiscal Year changes, it shall give notice of such change in the same manner as for a Material Event.

- (b) Not later than the date specified in paragraph (a) above for providing the Annual Report to the MSRB, the University shall either (1) provide the Annual Report to the Dissemination Agent, with written instructions to file the Annual Report as specified in paragraph (a) above, or (2) provide written notice to the Dissemination Agent that the University has provided the Annual Report to the MSRB.
- (c) If the Dissemination Agent has not received either an Annual Report with filing instructions or a written notice from the University that it has provided an Annual Report to the MSRB by the date required in paragraph (a) above, the Dissemination Agent shall send a notice to the MSRB in substantially the form required by the Continuing Disclosure Agreement.
- (d) The Dissemination Agent shall, (1) notify the University each year, not later than **30** days prior to the date for providing the Annual Report to the MSRB, of the date on which its Annual Report must be provided to the Dissemination Agent or the MSRB, and (2) unless the University has provided the Annual Report to the MSRB, promptly following receipt of the Annual Report and instructions required in paragraph (a) above, provide the Annual Report to the MSRB and file a report with the University, the Authority and (if the Dissemination Agent is not the Trustee) the Trustee certifying that the Annual Report has been provided pursuant to the Continuing Disclosure Agreement, stating the date it was provided.
- (e) In addition to the foregoing requirements of the Continuing Disclosure Agreement, the University agrees to provide copies of the most recent Annual Report to any requesting bondowner or prospective bondowner, but only after the same have been delivered to the MSRB.

Reporting of Material Events

- (a) Pursuant to the provisions of the Continuing Disclosure Agreement, the University shall give, or cause to be given, to the Dissemination Agent notice of the occurrence of any of the following events with respect to the Bonds, if material ("*Material Events*"):
- (1) principal and interest payment delinquencies;
 - (2) non-payment related defaults;
 - (3) unscheduled draws on debt service reserves reflecting financial difficulties;
 - (4) unscheduled draws on credit enhancements reflecting financial difficulties;
 - (5) substitution of credit or liquidity providers, or their failure to perform;
 - (6) adverse tax opinions or events affecting the tax-exempt status of the Bonds;
 - (7) modifications to rights of bondowners;
 - (8) optional, contingent or unscheduled bond calls;
 - (9) defeasances;
 - (10) release, substitution or sale of property securing repayment of the Bonds; or
 - (11) rating changes.
- (b) The Dissemination Agent shall, promptly after obtaining actual knowledge of the occurrence of any event that it believes may constitute a Material Event, contact the chief financial officer of the University or his or her designee or such other person as the University shall designate in writing to the Dissemination Agent from time to time, inform such person of the event, and request that the University promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to (d below). If in response to a request under this paragraph, the University determines that such event would not be material under applicable federal securities laws, the University shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent whether or not to report the occurrence.
- (c) Whenever the University obtains knowledge of the occurrence of a Material Event, because of a notice from the Dissemination Agent pursuant to paragraph (b) above or otherwise, the University shall promptly notify and instruct the Dissemination Agent in writing to report the occurrence pursuant to paragraph (d) below.
- (d) If the Dissemination Agent receives written instructions from the University to report the occurrence of a Material Event, the Dissemination Agent shall promptly file a notice of such occurrence with the MSRB, with a copy to the University. Notwithstanding the foregoing, notice of Material Events described above need not be given under this paragraph any earlier than the notice (if any) of the underlying event is given to the Registered Owners of affected Bonds pursuant to the Indenture.

Termination of Reporting Obligation

The University's obligations under the Continuing Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If the University's obligations under the Continuing Disclosure Agreement are assumed in full by some other entity, such person shall be responsible for compliance with the Continuing Disclosure Agreement in the same manner as if it were the University, and the University shall have no further responsibility hereunder. If such termination or substitution occurs prior to the final maturity of the Bonds, the University shall give notice of such termination or substitution in the same manner as for a Material Event.

Dissemination Agent; Other Designated Agents

The University may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under the Continuing Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign as dissemination agent hereunder at any time upon **30** days prior written notice to the University. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report (including without limitation the Annual Report) prepared by the University pursuant to the Continuing Disclosure Agreement. The initial Dissemination Agent is UMB Bank, N.A.

The University may, from time to time, appoint or designate one or more agents (each, a "*designated agent*") to submit Annual Reports, Material Event notices, and other notices or reports with the MSRB. The University hereby appoints the Dissemination Agent as designated agent of the University solely for the purpose of submitting University-approved Annual Reports, Material Event notices, and other notices or reports to the MSRB. The University may revoke this designation at any time upon written notice to the designated agent, and may designate one or more additional designated agents for purposes of the Continuing Disclosure Agreement from time to time by written designation to the newly appointed designated agent.

Amendment; Waiver

Notwithstanding any other provision of the Continuing Disclosure Agreement, the University and the Dissemination Agent may amend the Continuing Disclosure Agreement and any provision of the Continuing Disclosure Agreement may be waived, provided that Bond Counsel or other counsel experienced in federal securities law matters provides the University and the Dissemination Agent with its written opinion that the undertaking of the University contained herein, as so amended or after giving effect to such waiver, is in compliance with the Rule and all current amendments thereto and interpretations thereof that are applicable to the Continuing Disclosure Agreement.

Additional Information

Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the University from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Material Event, in addition to that which is required by the Continuing Disclosure Agreement. If the University chooses to include any information in any Annual Report or notice of occurrence of a Material Event, in addition to that which is specifically required by the Continuing Disclosure Agreement, the University shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report, as the case may be, or notice of occurrence of a Material Event.

Default

If there is a failure of the University or the Dissemination Agent to comply with any provision of the Continuing Disclosure Agreement, the Trustee may (and, at the request of any Participating Underwriter or the Registered Owners of at least **25%** aggregate principal amount of Outstanding Bonds, shall) take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the University or the Dissemination Agent, as the case may be, to comply with its obligations under the Continuing Disclosure Agreement. A default under the Continuing Disclosure Agreement shall not be deemed an event of default under the Indenture or the Pledge Agreement, and the sole remedy under the Continuing

Disclosure Agreement if there is any failure of the University or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties and Liabilities of Dissemination Agent

The Dissemination Agent shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the University agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the University under the Continuing Disclosure Agreement shall survive resignation or removal of the Dissemination Agent and payment of the Bonds. The University shall pay the fees, charges and expenses of the Dissemination Agent in connection with its administration of the Continuing Disclosure Agreement.

Beneficiaries

The Continuing Disclosure Agreement shall inure solely to the benefit of the Authority, the University, the Trustee, the Dissemination Agent, the Participating Underwriter, and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

APPENDIX D

BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2010P Bonds. The Series 2010P Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each series of the Series 2010P Bonds, each in the aggregate principal amount of such series, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation and Emerging Markets Clearing Corporation, (NSCC, FICC and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Series 2010P Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2010P Bonds on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2010P Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2010P Bonds, except in the event that use of the book-entry system for the Series 2010P Bonds is discontinued.

To facilitate subsequent transfers, all Series 2010P Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2010P Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2010P Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2010P Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2010P Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2010P Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Series 2010P Bonds may wish to ascertain that the nominee holding the Series 2010P Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2010P Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2010P Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2010P Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments with respect to the Series 2010P Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2010P Bonds at any time by giving reasonable notice to Authority or Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered.

THE INFORMATION IN THIS APPENDIX CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC. NEITHER THE AUTHORITY NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR ANY BENEFICIAL OWNER WITH RESPECT TO: (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT OR ANY INDIRECT PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE SERIES 2010P BONDS; (3) ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDHOLDERS UNDER THE INDENTURE; OR (4) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDOWNER.
